free Just this morning we were great chieftains princesses strong warriors and medicine men Then the white man came with his guns and whips and snatched us from our motherland the land that we have known and loved all our lives the land that made us what we are today Oh mother dear motherland will we ever see your welcoming shores again Will we forever be the hated race to be treated worse than all of Gods creatures Look at us now black butterflies jumping from the ship into the deep dark waters of the ocean never to spread our wings or fly again too frightened to face what little fate had thrust upon us black butterflies bound and shackled deep in the hull of a ship so crowded so full of filth and stench that some of us perished before we could reach the shores of the white mans world

The Slave's Diary Kenneth McClelland, 2012-01-28 While on his first hunt with his father a young boy named Kimbo is kidnapped out of Africa to become a slave in 19th century Virginia Sold like property to various plantation owners one day he makes his escape from a master who s forcing him to fight another slave named Barnyard Willie In the midst of his escape he manages to rescue a lost little white girl he finds in the woods Soon captured by the sheriff and sold to a paddy roller he ends up with a master who tries to kill him Kimbo is finally redeemed when a white preacher steps in to show him what true freedom really is Here s an excerpt from this award winning book Loud noises were coming from the other side of the hull beside where I was leaning perhaps the anchor being pulled from the water and onto the deck I felt the large ship begin to move to the left and then the right as they turned the ship in their attempt to steer it into the wind which seemed to keep changing direction We moved through the water slowly at first but once we were pointed in the right direction it felt like we were racing across the water Then suddenly the ship leaned hard to the left away from me as the captain turned it again towards the ever shifting winds This sent many of us crashing into the person on the other side of the bench we were on as we were driven by the forces of nature to lean into him One man cried out in agony as the weight of two dozen slaves from our row leaned hard against him I braced myself because I was on the other side and expected it would be just moments before we d be tossed the other way with me on the painful end But the ship found its direction and gradually eased into a more upright position allowing me to relax for a while The ship swayed gently back and forth as her full sails held fast to the wind carrying us very swiftly over the ocean waters But that was soon to change The men who were at first sobbing had now stopped and the poor man we d crushed earlier finally quit groaning from the pain he suffered from it It was quiet for a little while aside from the noises the ship made as it skipped along You could hear the ropes snap and pop now and then as they strained to hold the sails taut while the deck and side boards creaked loudly all around us almost in rhythm as they strained to hold each other in place We could tell that the winds were picking up as the cloth sails began slapping back and forth as the winds blew them in one direction and then quickly into another All the while they were driving us faster and further away from our homes but to where not a one of us knew The once gentle motion of the ship was now roughly tossing us all back and forth Many were getting sick again and the hold filled with the sounds of sickness and the rank smell of vomit that mixed with the other odors I quickly joined the sick even though

I had not eaten for almost two days The door above us opened for just a moment long enough to let in some amount of light that hurt our eyes which by then had grown accustomed to the darkness It was a welcome though brief relief as it also let in a sudden rush of fresh air to help drive away the smells Yet with it also came the sounds of the fierce winds howling and screaming outside of the ship which filled our ears and strengthened our fears A white man came down the steps to us carrying a lantern holding it up high to see that we were all still in our places and then he quickly went back up the stairs through the door and closed it tightly behind him Sea water washed in from the deck above us from beneath the door The ship leaned hard to one side and then to the other as wave after wave threw itself against us Many of those with me were crying out in their own languages perhaps seeking mercy perhaps seeking death Someone in the darkness cried out in my language that we were all going to die while another laughed out loud as if to imply that his god was angry

The Empire of Necessity Greg Grandin,2014-05-01 SHORTLISTED FOR THE SAMUEL JOHNSON PRIZE FOR NON FICTION 2014 Discover the story of a real life Captain Ahab of the slave trade in a landmark book by one of today s most original and highly acclaimed historians One morning in 1805 off a remote island in the South Pacific seal hunter and abolitionist Captain Amasa Delano climbed aboard the Tryal a distressed Spanish slaver He spent all day on the ship sharing food and water yet failed to see that the slaves having slaughtered most of the crew were now their own masters Later when Delano realized the deception he chased the ship down responding with barbaric violence Drawing on never before consulted records on four continents Greg Grandin follows this group of courageous slaves and their persecutor from the horrors of the Middle Passage to their explosive confrontation The Empire of Necessity is a gripping account of obsessive mania imperial exploitation and lost ideals capturing the epic clash of peoples economies and faiths that was shaping the so called New World and the Age of Revolution

Among the Slaves Ariel Borrego,2017-04-06 **The Island of Maldona** Yolanda Celbridge,2002 The women of Maldona are an ancient order devoted to Sapphic love and strict discipline Unfulfilled by her mundane London existence their leader Jana selects the most nubile and obedient of her slaves and sets out on a quest for adventure In an ancient castle

on a deserted Aegean island Jana and her dedicatec followers set about recreating their passionate rituals of punishment and reward But her reign as Supreme Mistress comes under threat from a flagellant girl goddess who calls herself Aphrodite In the scorching heat of the Med it is only a matter of time before their rivalry comes to a head in the most physical of battles
