The Lyin Kings Irene Petteice, 2014-09-15 The Lyin Kings The Wannabe World Rulers Two people a man and a woman who fought for power in 2008 may once again do battle in 2016 This time will it be up to the Illuminati the gay world the Illegals FEMA or the Militia that will decides who wins or loses Hillary Clinton a confessed Socialist and Barack Obama a practicing Socialist both want to lead the world not our country both want to destroy

our Constitution and Declaration of Independence both were students and worshipers of Saul Alinsky Clinton who has no acclaim as a former Secretary of State and Obama who has become the worst President we have ever had Obama will not give up his kingdom easily and will call martial law if necessary in order to thwart the 2016 election **Vulture Capitalism**

Grace Blakeley, 2024-03-12 This timely manifesto from an acclaimed journalist illustrates how corporate and political elites have used planned capitalism to advance their own interests at the expense of the rest of us and how we can take back our economy for all It s easy to look at the state of the world around us and feel hopeless We live in an era marked by war climate crisis political polarization and acute inequality and yet many of us feel powerless to do anything about these profound issues Tracing over a century of neoliberal planning and backdoor bailouts Blakeley takes us on a deeply reported tour of the corporate crimes political manoeuvring and economic manipulation that elites have used to enshrine a global system of vulture capitalism planned capitalist economies that benefit corporations and the uber wealthy at the expense of the rest of us at every level from states to empires Blakeley exposes the cracks already emerging within capitalism lighting a path forward for how we can democratize our economy not just our politics to ensure true freedom for all For-Profit College Loans Ruined My American Dreams

Ahmed Ceegaag, 2017-03-20 This book will be talking about for profit college admissions and their professors revolutions in the future I would like to stop discrimination from for profit colleges And what is happening to innocent students like me They have ruined the American Dreams of young people such as new immigrants from African Union African American minorities and students who have studied at for profit colleges In this book I am going to discuss the main problems of for profit colleges Why were they harmed by these for profit colleges own student money or other problems However I am looking for a different idea such as exchanging our current higher education system for a for profit college charter system While its true that our current for profit schools offer a charming variety of courses with very convenient class times they are typically unfriendly and inexperienced For profit college professors are not patient with their students It was also true that there are many services available to students if they need help **African Union Public Administration Cabinet & State of Somalia Public Administration Cabinet**

Ahmed Ceegaag, 2021-02-16 This book I started 2009 it took 12 yrs and it long time It takes about African government and local governments system This book is my favorite book and I am going to helping my mom land It helped our youngest and old my people Since 1935 we have a problem came from different ways God helps to us and we are going to fighting each other and we have a long Civil war in the world l Our civil war came from Middle East United Nations western and African Union States We didn t know why are we fighting each other In conclusion this book is rebuilding African Union States and State of Somalia That why I said African Union Public Administration Cabinet State of Somalia Public Administration Cabinet The Longest Con

Joe Conason, 2024-07-09 A sardonic chronicle of how conservatism turned into a racketeering enterprise and why Donald Trump became the living emblem of the American right s moral decay The Longest Con tells the fascinating story of the partisan con

artists who have corrupted conservative politics in our time creating a toxic phenomenon that culminated in the election of Donald Trump a bumptious fraud whose checkered career and tawdry retinue including his presidential cabinet have featured almost every variety of scam But long before he appeared Trump's path to power was blazed by the motley horde of swindlers and quacks who preceded him From the professional anti communists whose tactics even J Edgar Hoover despised to the populist grifters of the Tea Party movement and the religious charlatans of the prosperity gospel who provided a pious front for Trump the right wing ripoff has remained remarkably consistent even as personalities change and new technologies emerge Stir up anger and resentment demonize political opponents promise vengeance and collect donations from the gullible It's a highly lucrative game that any unscrupulous charlatan can play as many have and they are named in these pages In an unsparing and often comic narrative Joe Conason explores the right's long steep descent into a movement whose principal aim is not to protect freedom or defend the Constitution but merely to line the pockets of pretenders and blowhards whose malevolent tactics now endanger the nation
