American History 74 Montgomery St:

Legendary Locals of Boston's South End Hope J. Shannon, 2025-01-22 From the South End's early years as an upper and middle class residential district to its time as an immigrant and rooming house neighborhood and then to its recent urban renewal residents have shaped its legacy and its place within the city of Boston Locals have worked in common to make the South End a safe and vibrant community for over two centuries Notables such as architect Gridley J F Bryant preservation advocate Arthur Howe and pedestrian advocate Ann Hershfang contributed immensely to the built environment Residents like settlement house leader Robert Woods immigrant and author Mary Antin politician and activist Mel King urban gardener Betsy Johnson and lawyer Harry Dow to name a few shaped minds and lives alike Add to their ranks artists like Allan Rohan Crite and Kahlil Gibran jazz club owner Joseph Walcott longtime restaurateurs such as the Foley and Manjourides families and bar owner and gay rights advocate Leo Motsis and a true picture of the South End's history and diversity begins to emerge

Topical Manual of American History William Alexander Smith, 1890

Glorious Contentment Stuart McConnell, 2000-11-09 The Grand Army of the Republic the largest of all Union Army veterans organizations was the most powerful single issue political lobby of the late nineteenth century securing massive pensions for veterans and helping to elect five postwar presidents from its own membership To its members it was also a secret fraternal order a source of local charity a provider of entertainment in small municipalities and a patriotic organization Using GAR convention proceedings newspapers songs rule books and local post records Stuart McConnell examines this influential veterans association during the years of its greatest strength Beginning with a close look at the men who joined the GAR in three localities Philadelphia Brockton Massachusetts and Chippewa Falls Wisconsin McConnell goes on to examine the Union veterans attitudes towards their former Confederate enemies and toward a whole range of noncombatants whom the veterans called civilians stay at home townsfolk Mugwump pension reformers freedmen women and their own sons and daughters In the GAR McConnell sees a group of veterans trying to cope with questions concerning the extent of society's obligation to the poor and injured the place of war memories in peacetime and the meaning of the nation and the individual's relation to it McConnell argues that by the 1890s the GAR was clinging to a preservationist version of American nationalism that many white middle class Northerners found congenial in the face of the social upheavals of that decade In effect he concludes the nineteenth century career of the GAR is a study in the microcosm of a nation trying to hold fast to an older image of itself in the face of massive social change

Defending a Way of Life Michael Cassity, 1989-05-22 This book profiles an American community in the nineteenth century to show the larger process by which the nation was transformed from a life close to the frontier to that characteristic of industrial capitalism Michael Cassity considers this economic change from the broader perspective of an historian of the American people offering insights into its social implications and consequences With graceful and moving prose Cassity focuses on the

process of social change the pains that change generated and the resistance to it In the course of this transformation the author examines the ways in which workers farmers businessmen and women experienced and responded to the rise of a new industrial order *Lifting the Shadow* Amy Sodaro,2024-11-15 Lifting the Shadow Reshaping Memory Race and Slavery in U S Museums examines a small but significant wave of new U S memorial museums that focus on slavery and its ongoing violent legacies including the Smithsonian National Museum of African American History and Culture Montgomery s Legacy Museum From Enslavement to Mass Incarceration and Greenwood Rising which commemorates the 1921 Tulsa Race Massacre These museums are challenging historical narratives of slavery and race by placing racial oppression at the center of American history and linking historical slavery to contemporary racial injustice but they have opened in a period marked by growing racial tension white nationalism and political division Sodaro examines how the violence of U S slavery and its lasting legacies is negotiated in these museums as well as their potential to contribute to the development of a more critical historical memory of race in the U S at this particularly volatile sociopolitical moment *Self-Rule* Robert H.

Wiebe,1995-03-27 A new analysis of American government over the last 200 years political debate a new viewpoint

America, History and Life ,2001 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide *American Agriculturist* ,1865

The Hollow Parties Daniel Schlozman,Sam Rosenfeld,2025-10-28 A major history from the Founding to our embittered present that explains the void Politico at the center of America s political parties Featured on The Ezra Klein Show and The Weekly Show with Jon Stewart America s political parties are hollow shells of what they could be locked in a polarized struggle for power and unrooted as civic organizations The Hollow Parties takes readers from the rise of mass party politics in the Jacksonian era through the years of Barack Obama and Donald Trump Today s parties at once overbearing and ineffectual have emerged from the interplay of multiple party traditions that reach back to the Founding Daniel Schlozman and Sam Rosenfeld paint unforgettable portraits of figures such as Martin Van Buren whose pioneering Democrats invented the machinery of the mass political party and Abraham Lincoln and other heroic Republicans of that party s first generation who stood up to the Slave Power And they show how today s fractious party politics arose from the ashes of the New Deal order in the 1970s Activists in the wake of the 1968 Democratic National Convention transformed presidential nominations but failed to lay the foundations for robust movement driven parties Instead modern American conservatism hollowed out the party system deeming it a mere instrument for power Party hollowness lies at the heart of our democratic discontents With historical sweep and political acuity The Hollow Parties offers powerful answers to pressing questions about how the nation s parties became so dysfunctional and how they might yet realize their promise *Independent and Weekly Review* ,1899

[For 1837, 40, 48.]* Young Men's Association (Albany, N.Y.),1848 **Michigan School Moderator** ,1892 *A Century of Miracles* Harold Allen Drake,2017 The fourth century of our common era began and ended with a miracle Constantine s famous Vision of the Cross at one end and Theodosius victory bearing prayer at the other In this book historian H A Drake shows how miracles in this century forever altered the way Christians pagans and Jews understood themselves and each other

The Top Books of the Year American History 74 Montgomery St The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
