Beer 101 North Jon C. Stott,2017-11-23 Oregon and Washington have been leaders in the craft beer boom that began in the 1980s The number of craft breweries and brewpubs in the U S has increased dramatically in recent years almost 4700 were doing business as of mid 2016 Much of this growth has taken place in the metropolitan areas of Portland and Seattle and in sizable cities like Eugene Salem Spokane and Tacoma Yet many breweries have opened in villages and small towns The author visits more than three dozen in this exploration of the vibrant craft brew scene along the coast of the Pacific Northwest Profiles of brewers and owners and descriptions of breweries and their settings are provided along with tasting notes on more than 200 beers

Hoptopia Peter A. Kopp,2016-09-06 Hoptopia argues that the current revolution in craft beer is the product of a complex global history that converged in the hop fields of Oregon s Willamette Valley What spawned from an ideal environment and the ability of

regional farmers to grow the crop rapidly transformed into something far greater because Oregon farmers depended on the importation of rootstock knowledge technology and goods not only from Europe and the Eastern United States but also from Asia Latin America and Australasia They also relied upon a seasonal labor supply of people from all of these areas as a supplement to local Euroamerican and indigenous communities to harvest their crops In turn Oregon hop farmers reciprocated in exchanges of plants and ideas with growers and scientists around the world and of course sent their cured hops into the global marketplace These global exchanges occurred not only during Oregon s golden era of hop growing in the late nineteenth and early twentieth centuries but through to the present in the midst of the craft beer revival The title of this book Hoptopia is a nod to Portland s title of Beervana and the Willamette Valley s claim as an agricultural Eden from the mid nineteenth century onward But the story is fundamentally about how seemingly niche agricultural regions do not exist and have never existed independently of the flow of people ideas goods and biology from other parts of the world To define Hoptopia is to define the Willamette Valley s hop and beer industries as the culmination of all of this local and global history With the hop itself as a central character this book aims to connect twenty first century consumers to agricultural lands and histories that have been forgotten in an era of industrial food production Provided by publisher **Beer Lover's New York** Sarah Annese,Giancarlo Annese,2014-02-11 The Beer Lover s series features regional breweries brewpubs and beer bars for those looking to seek out and celebrate the best brews from bitter seasonal IPAs to rich dark stouts their cities have to offer With quality beer producers popping up all over the nation you don t have to travel very far to taste great beer some of the best stuff is brewing right in your home state These comprehensive guides cover the entire beer experience for the proud local enthusiast and the traveling visitor alike including information on brewery and beer profiles with tasting notes brewpubs and beer bars events and festivals food and brew your own beer recipes city trip itineraries with bar crawl maps regional food and beer pairings **The Rough Guide to Great Britain (Travel Guide eBook)** Rough Guides,2018-08-04 Discover Rough Guides home patch with the most incisive and entertaining guidebook on the market Whether you plan to tuck into a balti in Birmingham get your thrills at Blackpool Pleasure Beach or tackle Scotland s majestic North Coast 500 The Rough Guide to Great Britain will show you the ideal places to sleep eat drink shop and visit along the way Independent trusted reviews written with Rough Guides trademark blend of humour honesty and insight to help you get the most out of your visit with options to suit every budget Full colour maps throughout navigate the medieval lanes of York or Bath s Georgian streets without needing to get online Stunning images a rich collection of inspiring colour photography Things not to miss Rough Guides rundown of Britain s best sights and experiences Itineraries carefully planned routes to help you organize your trip Detailed regional coverage whether off the beaten track or in more mainstream tourist destinations this travel guide has in depth practical advice for every step of the way Areas covered include London and the southeast the Cotswolds Bath Bristol and the southwest East Anglia the Midlands and the Peak District Leeds Manchester and the
