Directions: Read the main ideas for sections JCE and JCE Chapter 2 • Sections 2 of the documents summarize the statements with the words included in the column titled answers. Therefore the Summary 2 reflects the main answers the questions in the question provided.

A. **John May** English colonists, ideas about the role and shape of government influenced the growth of the colonies, the laws that they created, and the system of government that later today.

1. **John May**, **Christian**, culture and ideas reflected from British lawmakers are important contributions to the founding principles and development of the United States.

2. The concept that a government system should absolutely respect the Magna Carta, which the English people have long regarded as a guarantee of **British** **government**.

3. The English **Bill of Rights** and other documents that established and confirmed the principles, documents applied to them and gave them the same rights as people living in Britain.

4. The English system of **law**, especially as organized by the British Parliament, was widely followed in the colonies.

5. British Parliament, which distinguished themselves from people, was a familiar example of **representative** government, but they criticized it.

6. Thomas Hobbes developed the **Social Contract** theory, which suggested that people give up their individual sovereignty to the government in exchange for the government's maintenance of law and order.

7. John Locke believed that people have **natural rights** as human beings and a government that failed to protect them has lost its legitimacy.

8. John Locke believed in **law**, **justice**, **liberty**, freedom that people rights and responsibilities beyond any people in a community, especially as a social contract to protect their rights while creating law and government.

9. Charles-Louis de Montesquieu suggested **separation** the powers of government.

10. **John May** said that the English colonies had the same government structure.
