Guided Reading: Government in Colonial America

Directions: Read the main ideas for sections JCE and use Chapter 2 + Section 2 of the textbook to complete the statements with the words included in the column titled answers. Then use the Summary 2 to fill in the answers the questions in the space provided.

A. John May (English colonists) wrote about the role and shape of government influenced the growth of the colonies, the laws that (influenced) and the system of government that later today.

1. John May, Colonists, customs and administrative laws influenced the growth of the colonies.

2. The principle that a government system should absolutely respect the Magna Carta, which the English people have regarded as a guarantee of English government.

3. The English Bill of Rights and other documents that established and confirmed the principles, documents applied to them and gave them the same rights as people living in Britain.

4. The English system of law, especially as organized by the British Parliament, was widely followed in the colonies.

5. British Parliament, which distinguished themselves from people, was a familiar example of representative government, but they criticized it.

6. Thomas Hobbes developed the Social Contract theory, which suggested that people give up their individual sovereignty to the government in exchange for the government's maintenance of law and order.

7. John Locke believed that people have natural rights as human beings and a government that failed to protect them has no right to maintain legitimacy.

8. John Locke believed in law, justice, liberty, freedom that people rights and responsibilities and argued that people as a community cooperatively created a social contract to protect their rights while creating law and government.

9. Charles-Louis de Montesquieu suggested separation the powers of government.

10. John May (English) and other English colonists had the same government structure.
