

Sonnet 18 (Shall I compare thee to a summer's day?)

By William Shakespeare

Directions: Work to paraphrase the poem into its literal meaning, identify the examples of figurative language and/or poetic devices, and determine the tone of the poem and the poem's theme.

How to analyze figurative language:

1. **Identify and state the type of figurative language** is being used. (Simile, metaphor, personification, hyperbole, or alliteration)
2. **Explain why it is an example of that device.** If it is a comparison, include both the **tenor** and the **vehicle**. The **tenor** is the subject of the comparison, the **vehicle** is the image or idea that represents the subject.
3. **Explain the idea the writer is expressing through the language.** Don't just define the term, explain how and why it is used.

Shall I compare thee to a summer's day? Thou art more lovely and more temperate: Rough winds do shake the darling buds of May, And summer's lease hath all too short a date: Label the rhyme scheme:	Lines 1-4 (Vocabulary): Define the following: Temperate: Lease: Art (not the subject):
Line 1: Type of figurative language: Tenor: _____ Vehicle: _____	Line 1: What is "thee"? What are two possible options?
Line 4: (Figurative Language) Type of figurative language: Why is "summer's lease" too short?	Whole Stanza: Why do you think the speaker chose summer to make the comparison?

defined in the agonistic terms of human defiance of Time's destructive power. There follow two essays devoted to Sonnets 33 and 29 and to the last sonnets for the young friend respectively. Here the poet abandons the battlefield of human mortality and engages with the tensions and conflicts of affection and moral duty against the backdrop of an intrinsically conflicting world model showing a medieval symbolic universe traversed by incipient yet radical sceptical stances. These poems interlace fictionality and biography constructing a lyrical drama where the I poet features as an extraordinarily artificial yet all too real voice.

How to Teach Thinking Skills Within the Common Core James A. Bellanca, Robin J. Fogarty, 2012-06-22 Packed with examples and tools, this practical guide prepares teachers across all grade levels and content areas to teach the most critical cognitive skills from the Common Core State Standards. Discover a doable three-phase model of explicit teaching, guided practice in content-based lessons, and authentic application in standards-based performance tasks that will strengthen students' ability to learn across the curriculum.

Hip-Hop Poetry and The Classics Alan Sitomer, Michael Cirelli, 2010-04-28 Hip-Hop's literary and artistic merits are evident when compared to classic poetry, and it's easy to link the great poets of the past to the contemporary Hip-Hop poets of today. Compare Robert Frost to Public Enemy, Shakespeare to Eminem, and Shelley to the Notorious B.I.G. This interactive workbook-style format is fun for teachers and students as it illuminates the art of the written word with in-depth analysis of poetic literary devices, writing activities, and other innovative methods.
