Preaching to Convert John Fletcher, 2013-11-13 Preaching to Convert offers an intriguing new perspective on the outreach strategies of U.S. evangelicals. Author John Fletcher frames these activities from door-to-door proselytizing to the spirited sermons of superstar televangelists as examples of activist performance, broadly defined here as acts performed before an audience in the hopes of changing hearts and minds. Most writing about activist performance has focused on left progressive causes, events, and actors, and if evangelicals have appeared at all, they often appear as one-dimensional forces of ignorance or bigotry against which brave left-leaning activists must fight. Preaching to Convert argues against such a constricted view of activism and for a more nuanced understanding of U.S. evangelicalism as a movement defined by its desire to win converts and spread the gospel. In other words, evangelicals are activist performers par excellence. The book positions evangelicals as a diverse, complicated group confronting the loss of conservative Christianity's default status in twenty-first century U.S. culture. In the face of an increasingly secular age, evangelicals have been reassessing models of outreach: in acts like handing out Bible tracts to strangers on the street or going door-to-door with a Bible in hand, in elaborately staged, horror-themed morality plays, or multi-million-dollar creationist discovery centers in megachurch services beamed to dozens of satellite campuses, and in controversial ex-gay ministries striving to return gays and lesbians to the straight and narrow, evangelicals are redefining what it means to be deeply committed in a pluralist world. The book's engaging style and careful argumentation make it accessible and appealing to scholars and students across a range of fields.

Divided Nation Ken Ham, 2021-06-15 Divided Nation: Cultures in Chaos. A Conflicted Church provides families and their churches biblical mandates to awaken and arise as influencers in today's turbulent times. As Christian persecution increases, the Body of Christ needs to prepare to take a bold stand. Ken Ham, CEO and founder of Answers in Genesis US, the highly acclaimed Creation Museum, and the world-renowned

Ark Encounter sounds the call for Reformation bringing God's people back to the authority of the Word of God beginning in Genesis. Can the church regain a position of influence among this generation of truth seekers who reject God and His Word? To combat today's chaotic culture and the conflicted church, Ham addresses five specific issues: There is no neutral position. There is no non-religious position. There are ultimately only two religions: Creation apologetics. How to think foundationally to develop a truly Christian worldview. Make a stand for the soul of this generation. Divided Nation shines an empowering light on the struggle of the church to retain young believers. Glean from it the issues that must be addressed and find clarity amid the chaos of the culturally conflicted church. Divided Nation is an excellent call to Christians, pastors and thinkers alike to return to the supreme authority of God's Word and the God of all truth. Jack Hibbs, Calvary Chapel Chino Hills, CA. [The Lie](#)

Ken Ham, 2024-09-15. Christianity is Under Massive Attack. How will you and the coming generations stand firm and uphold the truth of God's Word when the culture is forcefully demanding you believe lies? In this updated edition of [The Lie](#), Unraveling the Myth of Evolution: Millions of Years, Ken Ham exposes how the acceptance of evolution and millions of years has eroded belief in God as Creator. This issue is crucial to understanding modern worldview dilemmas including gender and sexuality, abortion, racism, and the mass exodus from the church. Why is the Christian church losing ground in its battle with the secular world? Thousands of church leaders are nearing a dangerous precipice: the denial of the Bible's full authority and accuracy from its very first verse. Originally published in 1987, [The Lie](#) boldly predicted this trend. This compelling book is a must-read for all Christians, providing crucial answers to common questions from unbelievers and offering advice for parents preparing their children to face a rebellious secular world. Chapters include: Crumbling Foundations, The Evil Fruit of Evolutionary Thinking, Evangelism in a Pagan World, Wake Up Shepherds, Creation Flood, and Coming Fire. [The Lie](#) is more than just a book; it is a call to action, inviting the body of Christ to stand firm in their Christian faith, reject the lie of evolution, and uphold the truth of God's Word from the very beginning. As Romans 1:20-23 NKJV warns, those who reject God's truth are without excuse, and their hearts are darkened. Will you stand firm and uphold the truth of God's Word? [Ready to Return](#)

Britt Beemer, Ken Ham, Jeff Kinley, 2015-09-01. Having grown up in church, an alarming percentage of people have now traded in the timeless beliefs of Scripture for a more comfortable postmodern faith or secular worldview. They have waded so deep into the culture that the current has swept them away with the pluralism of biblical compromise and secular indoctrination. [Ready to Return](#) explores why this is happening and, more importantly, what can be done about it to help bring back a godly generation. New persuasive research clearly reveals shocking details about views on the Church and faith by people in their 20s, known as millennials. Conclusive evidence we cannot ignore shows a lack of effective biblical apologetics in homes and churches, compromise with secular beliefs, secular education, and failures on the part of previous generations contribute greatly to this dilemma. Within these pages is more than just a clinical diagnosis of the Church's current condition and how we got here. It's a simple and powerful call to return to the Church's fundamental mission to reach the world. If we are to

bring back this lost generation we need a proven strategy and willingness to present truth a biblical battle plan and spiritual soldiers
