

The Great Gatsby Chapter 3 Student's Worksheet

1. Literary Techniques : on pages 41-42 we can see how Fitzgerald uses numerous poetic qualities to highlight the magical qualities of Gatsby's parties and to show how they first of all impressed Nick the narrator. Find examples of each of the following techniques and comment on their effect.

Technique	Example	Comment
Simile		
Metaphor		
Colours		
Sounds		
Listing		
Alliteration		
Listing		
Repetition of pronouns		

2. Find evidence on the same pages to show the following:

- a) conspicuous consumption
- b) opulence
- c) flouting of the Prohibition laws
- d) modernity
- e) vulnerability
- f) superficiality

3. Think about the following statements concerning the party. Do you agree with them?

- This description matches that of the Buchanans' house in transforming materiality into a magical world.
- This sense of enchantment is undermined by Nick's description of guests who turn up uninvited and behave "according to the rules ... associated with an amusement park." (Is that a positive or negative comparison? A fairground can be a negative or a positive place depending on the viewpoint.)
- At the end of the party the image of the party-goers is that of people living lives of sadness, bitterness and disappointment. (see pages 51 onwards).

4. Role of Women

a) It is a girl, "one of those gypsies" who starts the party. Her extreme behaviour is presented as the trigger for the night's events. It is this presentation of women as being the instigators of unruly and strange behaviour in men, that has been the cause of much criticism by feminists of Fitzgerald's work.

What effect do the women in the novel have on a) Nick b) Gatsby c) Tom and d) Wilson?

b) Look at the description of the women at this first party. Here are some examples:

- "gaudy with primary colours, and their hair bobbed in strange new ways, and shawls beyond the dreams of castile."
- the two girls in yellow who appear to be regulars
- "old men pushing young girls backward in eternal graceless circles", page 47.
- "a great number of single girls dancing individualistically", page 48
