Read **STRATEGIES FOR LEARNING ASL** on pages 4-5. Choose a strategy you will work on for the next month. Write down the strategy and why you chose to use it.(5 points)

I choose strategy 1 (build a language community). Since I have had previous experience with learning another language, I really noticed the difference in my ability to learn when I started to communicate with my fellow classmates more in Japanese over communicating in English. Using the language outside of class was really my lifesaver in Japanese and now I know that I have to do it for ASL in order to keep up my vocabulary. Now that I have a coworker who is in a higher level ASL class, I can start to use ASL at work. We have already started signing numbers and letters from across the room so I can practice.
