Congress. House. Committee on Un-American Activities, 1955 **Evaluating Alcohol and Drug Abuse Treatment Effectiveness** Linda Carter Sobell, Mark B. Sobell, Elliott Ward, 2013-10-22 Evaluating Alcohol and Drug Abuse Treatment Effectiveness Recent Advances is a collection of papers that covers the advancement in rehabilitation of individuals with a history of substance abuse The title aims to find ways in identifying the treatment that best fits a specific patient The text first provides a historical account of alcohol and drug treatment outcome research Next the selection considers the use of multiple measures of life health to assess alcohol treatment Chapter 3 deals with the behavioral assessment and treatment evaluation of narcotic addiction while Chapter 4 talks about the evaluation of behavioral and traditional treatment of alcoholics The fifth chapter tackles the contingency contracting with drug abusers and the sixth chapter covers the development of a prototype for the evaluation of alcohol treatment The text also details the problems in alcohol treatment along with the improvement of confidence in treatment of substance abuse The book will be of great use to behavioral scientists social workers and mental health specialists *Behavioral Treatment of Alcohol Problems* M. Sobell, 2013-03-09

Ideas about the nature of alcohol problems have been undergoing dramatic change over the past several years This book summarizes the clinical research we have conducted over the past eight years research which has evoked controversy and which we hope will be evaluated as having been influential in the development of a scientific approach to the clinical treatment of alcohol problems Although we reference many studies from the general behavioral literature on alcohol problems we make no pretense of presenting a thorough review of that literature By and large this book focuses on the research we have conducted the rationale for that approach and a detailed discussion of methods and results which cannot be presented in journal articles The book begins by giving the reader a perspective on traditional concepts in the alcohol field

and why those concepts are now being challenged Within that conceptual framework we then trace the development and sophistication of our clinical research presenting for the first time in a single work a complete consideration of the rationale methods and results of the study of Individualized Behavior Therapy IBT for alcoholics Following a discussion of many of the more subtle aspects of that study and its results we describe how IBT can be used in an outpatient setting the setting in which we have conducted clinical research for the last six years
