Decorating

Decorating is a fun and creative way to express your personality and style. It's also a great way to make your home feel like a warm and inviting place. There are many different ways to decorate, and you can find inspiration in magazines, books, and online. The key is to find a style that you love and that reflects your personality.

When you're decorating, it's important to think about the overall look and feel of the space. You want to create a cohesive and balanced design. This means choosing colors, patterns, and textures that work well together. You also want to think about the function of the space and how you can make it feel comfortable and welcoming.

Knowledge As Design David N. Perkins, 2013-11-26 First published in 1986 We all play the roles of teacher or learner many times in life in school and home on the job and even at play How can we strengthen those roles striving for deep understanding and sound thinking Knowledge As Design demonstrates the strong but neglected unity between learning and critical and creative thinking

Author David Perkins discloses how the concept of design opens a doorway into a deeper exploration of any topic academic or every day Knowledge As Design challenges the concept of knowledge as information Drawing from current philosophy and cognitive science the book shows how learners can attain a new level of insight when learning highlights the constructed and constructive character of knowledge Any individual involved in formal or informal learning or teaching can benefit from the general outlook and specific principles laid out in this book It offers a uniquely intelligent philosophy and psychology of understanding and critical and creative thinking
