Kolonie-Deutsch Philip E. Webber, 2009-08 Founded as a communal society in 1855 by German Pietists the seven villages of Iowa's Amana Colonies make up a community whose crafts architecture and institutions reflect and to an extent perpetuate the German heritage of earlier residents In this intriguing blend of sociolinguistic research and stories from Colonists both past and present Philip Webber examines the rich cultural and linguistic traditions of the Amanas Although the Colonies are open to the outside world particularly after the Great Change of 1932 many distinctive vestiges of earlier lifeways survive including the local variety of German known by its speakers as *Kolonie Deutsch* Drawing upon interviews with more than fifty Amana German speakers in 1989 and 1990 Webber explores the nuances of this home grown German signaling the development of local microdialects the changing pattern in the use of German in the Colonies and the reciprocal influence of English and German on residents speech By letting his sources tell their own stories of earlier days in which the common message seems to be *wir haben fun gehabt* or we had fun working together he illuminates the history and unique qualities of each Colony through the prism of language study Webber's introduction to this paperback edition provides an up to date itinerary for visitors to the Colonies information about recent publications on Amana history and culture and an overview of expanded research opportunities for language study and historical inquiry The result is an informative and engaging study that will be appreciated by linguists anthropologists and historians as well as by general readers interested in these historic villages Iowa Visitors Guide & Calendar of Events ,1990 **Iowa Visitors Guide** ,1993 Iowa Travel Guide ,2015 *A Guide to the Archaeology Parks of the Upper Midwest* Deborah Morse-Kahn, 2003-07-14 The archaeology enthusiast will find this versatile guide contains treasure trove of information A generous collection of black and white photos are scattered throughout this handy book along with detailed maps lodging and dining suggestions and a broad listing of additional local points of interest The volume's brief introductory chapters offer an overview of the archaeology of the Upper Midwest and explore the symbols and meanings of intricate rock art and effigy mounds Eighty five dedicated archaeology parks exist in Minnesota Wisconsin Iowa and northern Illinois Wisconsin alone contains sixty three of these outstanding parks From Effigy National Monument in Iowa to the privately held Henschel Mounds in Wisconsin this magnitude of managed sites is exceeded only by the abundance of archaeology sites found in the American Southwest **The complete travel guide for Iowa** , At YouGuide we are dedicated to bringing you the finest travel guides on the market meticulously crafted for every type of traveler Our guides serve as your ultimate companions helping you make the most of your journeys around the world Our team of dedicated experts works tirelessly to create comprehensive up to date and captivating travel guides Each guide is a treasure trove of essential information insider insights and captivating visuals We go beyond the tourist trail uncovering hidden treasures and sharing local wisdom that transforms your travels into extraordinary adventures Countries change and so do our guides We take pride in delivering the most current information ensuring your journey is a
