Solving Social Dilemmas Roger D. Congleton, 2022 In Solving Social Dilemmas Roger Congleton provides an explanation for the rise of prosperous commercial societies Congleton argues that an endless series of social economic and political dilemmas have to be solved or ameliorated to sustain social and economic progress and suggests that the most plausible solutions involve internalized rules of conduct Previous foundational texts suggest that institutions often emerge to address social dilemmas but Congleton focuses on a solution that is arguably prior to formal institutions the internalization of principles and rules of conduct that directly affect individual behavior and group outcomes
