Assembly,1987 **The New Law Journal** ,1992 **Introduction to Banking** Vijayaragavan Iyengar,2009 Banking today
is not what it was some years back The basic purpose for which banks came into being was deposit mobilization and credit
dispensation which in a short form can be called 3 6 3 banking It is not the same any more as the major agenda of the banks
today is to multiply profits through an array of services like insurance mutual fund wealth management etc to customers The
growth of financial markets blurring of product boundaries new network technologies have brought in enormous
opportunities in the banking sector The key to success is knowledge on the subject and updation of the events in the sector
Living up to the aspirations and requirements of the industry many Indian Universities have introduced Banking as a subject
in the curriculum of management courses at the undergraduate and Postgraduate levels Business Schools and institutes of
academic excellence have evolved exclusive courses on Banking to tap the potential in the field This book meets the
requirements of the subject in all its angles and intends to serve the requirements of management students who would like to
make a career in banking and for those in pursuit of promotional avenues within the bank
