Proceedings and Addresses of the American Philosophical Association American

Philosophical Association, 2002 List of members in v 1 *Interface Theology Volume 1, Issue 1* Yves Congar, Peter Matheson, 2016-10-13 Interface Theology is a biannual refereed journal of theology published in print epub and open access by ATF Press in Australia The journal is a scholarly ecumenical and interdisciplinary publication aiming to serve the church and its mission promoting a broad based interpretation of Christian theology within a trinitarian context encouraging dialogue between Christianity and other faiths and exploring the interface between faith and culture It is published in English for an international audience *More Than a Cup of Coffee and Tea* David D. Grafton, 2021-06-21 Islamophobia continues to rise among Americans even within progressive mainline churches creating a poisonous and dangerous atmosphere for interfaith relations American Lutherans however have been engaged in dialogue with Islam for over a generation Originally like other Protestant churches Lutherans studied Islam as a monolithic religious system for the purpose of proselytizing the Christian faith Over the years and with experience American Lutherans came to know Islam as a faith tradition of believers in different cultures and contexts By developing relationships with Muslim neighbors some ELCA Lutherans and their international partners have learned that it is possible to witness to the Christian faith and listen to Muslim neighbors for the purpose of understanding and to work for a common cause of justice *More Than a Cup of Coffee and Tea* documents the Focus on Islam that began in the 1980s among ELCA Lutherans and then reflects on more than a generation of engagement with Muslims in various domestic and international contexts This volume documents where the ELCA has been what it has learned and encourages others to continue to develop positive relationships with Muslim neighbors and communities as a Christian activity and to combat Islamophobia *U.S. Moral Theology from the Margins* Curran, Charles E., Fullam, Lisa A., 2020 A collection of articles that range from thoughts on Vatican II and Humanae Vitae as well as other contemporary issues such as immigration poverty and racism **God and the Book of Nature** Mark Harris, 2023-12-19 *God and the Book of Nature* develops theological views of the natural sciences in light of the recent theological turn in science and religion scholarship and the science engaged theology movement Centered around the Book of Nature metaphor it brings together contributions by theologians natural scientists and philosophers based in Europe and North America They provide an exploration of complementary and even contesting readings of the Book of Nature particularly in light of the vexing questions that arise around essentialism and unity in the field of science and religion Taking an experimental and open ended approach the volume does not attempt to unify the readings into a single plot that defines the Book of Nature still less a single theology of nature but instead it represents a variety of hermeneutical stances Overall the book embraces a constructive theological attitude toward the modern sciences and makes significant contributions to the research literature in science and religion *An Index to English Periodical Literature on the Old Testament and Ancient Near Eastern Studies* William G. Hupper, 1988 Library has v 1 4 only *The Voice of Public Theology* Ted Peters, 2022-11-07 Public theologians are already thundering like prophets at climate change and racial injustice But the gale force winds of

natural science blow through society as well The public theologian should be on storm watch The Postfoundationalist Task of Theology F. LeRon Shults,1999 In recent years the theological writings of Wolfhart Pannenberg have exerted considerable influence However Pannenberg s work has also been criticized for not taking seriously the postmodern challenge to traditional conceptions of rationality and truth This volume by F LeRon Shults argues that the popular foundationalist reading of Pannenberg is a misinterpretation of his methodology and shows that in fact the structural dynamics of Pannenberg s approach offer significant resources for the postfoundationalist task of theology in our postmodern culture Shults begins by laying out the first comprehensive summary and interpretation of the emerging postfoundationalist model of theological rationality He then revisits Pannenberg s theological method and finds the German theologian to be a surprising ally in the quest to reconstruct a theological rationality along postfoundationalist lines In the course of his discussion Shults challenges views that see the future reason or history as the central concept of Pannenberg s thought and offers instead a new interpretation of Pannenberg s basic theological principle as understanding and explaining all things sub ratione Dei under the aspect of the relation to God an interpretation endorsed by Pannenberg himself in the book s foreword Shults also focuses on Pannenberg s unique way of linking philosophical and systematic theology and demonstrates how the underlying reciprocity of this method can carry over into the postfoundational concern to link hermeneutics and epistemology in the postmodern context *The Rise and Fall of American Lutheran Pietism* Paul P. Kuenning,1988 The author s primary purpose is to describe the precise nature of American Lutheran Pietism and to discern its proper place in the history of Lutheranism The book examines leaders like Philip Spencer August Franke and Samuel Simon Schmucker The author also explores the complexities of whether the Lutheran Church in antebellum America would support antislavery positions like gradual emancipation or the immediacy of abolition **The Emerging Church, Millennials, and Religion: Volume 1** Randall Reed,G. Michael Zbaraschuk,2018-10-31 The landscape of American religion is changing dramatically Millennials are dropping out of church and new experimental types of Christianity such as the Emerging Church are coming to the fore But what is the future of religion in America and what role will Millennials play in that The results of three years of scholarly inquiry this collection of essays looks at the Emerging Church and Millennial religious responses and seeks to define and explore both phenomena always on the lookout for their intersection Bringing together a diverse collection of scholars in theology sociology history and comparative religion this book highlights the importance of both the Emerging Church and the Millennial generation s future for religion **Law & Gospel in Action** Mark C Mattes,Mark C. Mattes,John T. Pless,2019-04-09 Mark Mattes hope is not only to secure believers consciences in Christ but also to reclaim theological and social turf which mainline Protestants have too quickly ceded to various secular agendas The collected essays engage the reality of believers death and resurrection in Christ and how that bears upon the life of faith while also attending to a wide range of relevant theological topics such as scriptural authority apologetics a critique of contemporary mainline Protestant

and Evangelical Catholic ethics a critique of Lutheran Reformed ecumenism and the church's mission and outreach The collection concludes with several sermons based on Old Testament lessons seeking to show how the theology embedded in the essays can be used for proclamation

Pragmatic Faith and the Tanzanian Lutheran Church Amy

Stambach, Aikande Kwayu, 2020-11-09 Pragmatic Faith and the Tanzanian Lutheran Church Bishop Erasto N Kweka's Life and Work examines the operations and organization of the Tanzanian Lutheran church through the life and times of its longest serving diocesan bishop Erasto N Kweka Amy Stambach and Aikande Kwayu develop the concept of pragmatic faith belief in practice to analyze the integration of religious experience institutionalism and doctrine or orthodoxy Pragmatic faith breaks down the lingering binary found in anthropological studies of Christianity between transcendental experience and pragmatic struggle and between religious revival as rupture or continuity Stambach and Kwayu analyze the instrumental use of religion in practice as well as its socially mobilized potential for revelation and transformation A key analytic agenda of this book is to illuminate how a church that retains the organizational and ritual forms of a European mission church became culturally localized over time and yet paradoxically also existed pre-colonially Accordingly this book offers detailed and ethnographically grounded perspective on how leaders and laypeople affiliated with the Tanzanian Lutheran church connect the church with other significant institutions not only the state and the government but also descent groups extended families self-help groups and existing civic organizations in order to live meaningfully

The Characterization of Jesus in

the Book of Hebrews Brian Small, 2014-01-30 In The Characterization of Jesus in the Book of Hebrews Brian Small applies the tools of literary and rhetorical criticism to reconstruct the author of Hebrews's portrayal of Jesus character The author of Hebrews uses a variety of literary and rhetorical devices in order to develop his characterization of Jesus The portrait that emerges is that Jesus is a person of exemplary character who exhibits both divine and human character traits Some of the traits reveal Jesus' greatness while others reveal his moral excellence Jesus' exemplary character plays a prominent role in the author's argument and has profound implications for his audience Jesus character produces many benefits for his followers and his character entails certain obligations from his followers
