awareness of campus sexual assault is at a historic high institutional responses to incidents of sexual violence remain widely
varied In this volume a diverse mix of expert contributors provide a critical nuanced and timely examination of some of the
factors that inhibit effective prevention and response in higher education Chapter authors take on one of the most troubling
aspects of higher education today bridging theory and practice to offer programmatic interventions and solutions to help
institutions address their own competing interests and institutional culture to improve their practices and policies with
regard to sexual violence The Crisis of Campus Sexual Violence provides higher education scholars administrators and
practitioners with a necessary and more holistic understanding of the challenges that colleges and universities face in
implementing adequate and effective sexual assault prevention and response practices *International Handbook of
Research on Environmental Education* Robert B. Stevenson,Michael Brody,Justin Dillon,Arjen E.J. Wals,2013-05-02 The
environment and contested notions of sustainability are increasingly topics of public interest political debate and legislation
across the world Environmental education journals now publish research from a wide variety of methodological traditions
that show linkages between the environment health development and education The growth in scholarship makes this an
opportune time to review and synthesize the knowledge base of the environmental education EE field The purpose of this 51
chapter handbook is not only to illuminate the most important concepts findings and theories that have been developed by
EE research but also to critically examine the historical progression of the field its current debates and controversies what is
still missing from the EE research agenda and where that agenda might be headed Published for the American Educational
