A brilliant authoritative and fascinating history of America's most puzzling era the years 1920 to 1933 when the U S Constitution was amended to restrict one of America's favorite pastimes drinking alcoholic beverages From its start America has been awash in drink The sailing vessel that brought John Winthrop to the shores of the New World in 1630 carried more beer than water By the 1820s liquor flowed so plentifully it was cheaper than tea That Americans would ever agree to relinquish their booze was as improbable as it was astonishing Yet we did and Last Call is Daniel Okrent's dazzling explanation of why we did it what life under Prohibition was like and how such an unprecedented degree of government interference in the private lives of Americans changed the country forever Writing with both wit and historical acuity Okrent reveals how Prohibition marked a confluence of diverse forces the growing political power of the women's suffrage movement which allied itself with the antiliquor campaign the fear of small town native stock Protestants that they were losing control of their country to the immigrants of the large cities the anti German sentiment stoked by World War I and a variety of other unlikely factors ranging from the rise of the automobile to the advent of the income tax Through it all Americans kept drinking going to remarkably creative lengths to smuggle sell conceal and convivially and sometimes fatally imbibe their favorite intoxicants Last Call is peopled with vivid characters of an astonishing variety Susan B Anthony and Billy Sunday William Jennings Bryan and bootlegger Sam Bronfman Pierre S du Pont and H L Mencken Meyer Lansky and the incredible if long forgotten federal official Mabel Walker Willebrandt who throughout the twenties was the most powerful woman in the country Perhaps most surprising of all is Okrent's account of Joseph P Kennedy's legendary and long misunderstood role in the liquor business It's a book rich with stories from nearly all parts of the country Okrent's narrative runs through smoky Manhattan speakeasies where relations between the sexes were changed forever California vineyards busily producing sacramental wine New England fishing communities that gave up fishing for the more lucrative rum running business and in Washington the halls of Congress itself where politicians who had voted for Prohibition drank openly and without apology Last Call is capacious meticulous and thrillingly told It stands as the most complete history of Prohibition ever written and confirms Daniel Okrent's rank as a major American writer **NSF Authorization** United States.
