haunt school reform curriculum politics and classroom constancy Both undermined the 1960s new social studies a dynamic
reform movement centered on inquiry issues and social activism Dramatic academic freedom controversies ended reform and
led to a conservative restoration On one side were teachers and curriculum developers on the other conservative activists
determined to undo the revolutions of the 1960s The episode brought a return to traditional history a turn away from

in the streets parks our homes and at outdoor rock concerts Our way of moving freely alone and together was imbued with a
constellation of meanings heralding a new era of liberties embarking on social experiments and not the least promoting world
