

ASSURANCE OF LEARNING EXERCISES 1

Exercise 1A - Gather Strategy Information on a Given Publicly Held Firm

Purpose

The purpose of this exercise is to get you familiar with strategy terms introduced and defined in Lecture 1. Let's apply these terms to the Case Study on a global company of your choice.

Instructions

- 1) Go to the company's corporate website. Find section Investors/Publications/or click on the word Search and then type in the words Annual Report. Download the most recent *Annual Review report*. The Annual Review contains excellent information for developing a list (min. 5) of internal strengths and weaknesses of the company.
- 2) On Internet try to find data about this specific industry in which your selected company is doing business. This data will provide excellent information for developing a list (min. 5) of external opportunities and threats facing your company.
- 3) Go to the www.finance.yahoo.com web site. Enter the name of selected company. Then choose information which are relevant for you to make a performance overview of the company. You can use also other relevant sources.
- 4) Using the Internet, find out relevant information about company's two major competitors.

Exercise 1B – Strategic Planning at Selected Company

Purpose

The purpose of this exercise is to give you practical knowledge and experience in investigating the strategic plan of large, publicly held firms such as Nestlé S.A. (described during the lecture). An important aspect of formulating a strategic plan is to assess the strategic plans of rival firms. For this exercise, you are in the top management of rival firm competing with the company you selected in the exercise above.

Instructions

- 1) Go to website of your selected company and review the company's recent Annual Report. List as clearly as you can the five major strategies that the company is pursuing worldwide.
