life and goals in life Due to Cholera Great Britain had a lot of orphans and Georg M ller opened at first one and later more orphanages to take care of the children who were left behind These orphanages did an incredible work because the children were taken care of with love instead of being exploited as it was habitual at the time Georg M ller made a covenant with God to never ask anything from people only to ask from God for whatever he and the children would need Georg M ller wrote down every prayer and the answer Some of these miraculously answered prayers are recorded in this book This book also contains a short biography of Georg M ller and a collection of Bible promises concerning prayer Use this book to study God s promises in the Bible Use this book to study God s promises and how God answered the prayer of Georg M ller and how he will answer your prayer for your May this book encourage your faith in a prayer answering God **Answers to Prayer from George Müller's Narratives.
