

Answer On The Issue Of Territorial Expansion

S Nieto

Answer On The Issue Of Territorial Expansion:

Divided Union Scott A. Silverstone, 2018-07-05 Between the Revolutionary War and the Civil War the United States was embroiled in competitive inter state politics Although it did not directly involve itself in European affairs the United States did engage regularly in dangerous struggles with other states and with colonial powers with territory on the American periphery Aside from the War of 1812 the Oregon Crisis and the Mexican War other near misses included here disputes of 1807 and 1809 with Britain with Spain over East Florida in 1811 13 with Mexico in 1853 and disputes with Spain over Cuba in 1853 55 and with Mexico in 1858 1860 have been ignored in the democratic peace literature Scott A Silverstone finds these cases particularly useful for testing alternative explanations of constraints on armed conflict because the United States backed down each time allowing each crisis to pass short of its full potential for violence Silverstone builds on a nascent theory of institutional constraints on the use of force presented in the Federalist Papers to explain American attitudes toward participation in conflicts He argues that the federal character of American democracy that emerged from the founding and the large size of the new American republic provide the keys to understanding its decision making processes Divided Union shows how the institutional features of federal union and the diverse social economic and security interests within this geographically extended republic created political conditions that impeded the use of force by the United States before the Civil War

History A-Level (ZIMSEC) Past Exam Questions and Model Answers David Chitate ,2024-06-06 This book contains the most comprehensive question bank and model answers for ZIMSEC A Level History exam questions It also includes syllabus review notes and exercises History subject Examiners provide observations and tips and point out common errors that students make when answering questions If you use this book faithfully it will be almost impossible for you to fail Use this book and earn yourself a Grade A in History
