

Hotel Rwanda (2004)

Viewing Guide: Exploring the Subjectivity of History

Before Viewing:

1. How are historical events typically represented in films and television shows? What forces are at work when screenwriters and directors are at work attempting to put historical events into film?

During Viewing:

2. **Perspective:** Whose perspective is this film told from? Why do you think Pauline was chosen as the primary catalyst for the story? What do we potentially miss because of this decision?
3. **Cause:** According to the film, what is the cause of the conflict? Does the film choose a "side"? If so, which one?
4. **Response:** How does the film depict the international response to the Rwandan genocide? Where is the blame/judgment placed? What persons, organizations, or countries are made out to be heroes, if any?

After Viewing:

5. **Selective Memory and Historical Amnesia:** If *Hotel Rwanda* was your only source of information on the Rwandan Genocide, how would that shape your thoughts and opinions?
6. **Ethical Responsibilities in Historical Storytelling:** What ethical considerations do the filmmakers face when telling a story such as this? Be specific to the events of *Hotel Rwanda*.
