

Student's Book Audioscript

UNIT 8

Page 89. Exercise E.

Speaker 1 (F = Indian)

F: There is a strong relationship between the education women get and the quality of medical care they receive. Research shows that mothers with more education are likely to receive better medical care when they have children. In Egypt, for example, about 75 percent of women with a secondary education receive medical care before having children. By contrast, only about 33 percent of women without an education receive medical care.

Speaker 2

F: In Japan, the average age that men get married is twenty-eight, and for women, it's around twenty-six. Compared to other countries in the world, Japanese men and women seem to be getting married at a later age. According to a government study, the main reason Japanese marry at an older age is that they date each other longer. The study shows that, over the past fifteen years, the gap between a couple's first date and the time they get married has increased from two to three years.

Speaker 3 (M = Portuguese)

M: New studies show a direct relationship between the number of years one stays in school and life expectancy. Worldwide, for every year beyond the age of sixteen that students stay in school, they live an average of two additional years. According to a new United Nations report, this is compelling evidence for compulsory education past middle school.

Page 91. Exercise D.

Conversation 1

M: I believe in setting limits. When kids break the rules, you punish them immediately—no excuses. No ifs, ands, or buts about it.

F: I think that's a little harsh, Stan. Sometimes there are reasons for breaking the rules. I think you have to take this on a case-by-case basis.

Conversation 2

M: I think it's only fair that my parents buy me a new computer. I mean, my friends' parents love their kids enough to get them whatever they want, so why shouldn't mine?

F: Jason! You already have a pretty decent computer. Don't be so selfish.

Conversation 3

F: I'm not overly concerned about my kids. I think they can be trusted to behave without my watching over them all the time like a mother hen. Kids should be allowed to make their own decisions—what's the point in worrying? They'll figure it out as they go along.

M: Well, that's not how I see it. You need to be watching your kids all the time or they'll just get themselves into trouble.

Conversation 4

M: That boyfriend of yours is a troublemaker.

F: Why don't you have any respect for my friends? What do you know, anyway? Just because you're an adult doesn't mean you know everything.

M: Young lady, I don't like that tone of voice. You're grounded!

Conversation 5 (F = Arabic)

F: I'm so worried about my daughter.

M: Uh-oh. What's going on?

F: Well, she wants to learn how to drive.

M: Oh, yeah? How old is she?

F: Nineteen.

M: Then what's the problem?

F: Oh, I don't know. What does she need to drive for? I mean—what if she gets in an accident?

M: But she's nineteen. Don't you think she's old enough to start learning how to take care of herself? Like driving herself to work or going shopping?

F: I'm just not comfortable with it. I could drive her anywhere she needs to go.

M: You know, you have to let your kids be adults at some point.

Conversation 6

M: Wanna go to the late show? There's a cool movie tonight.

F: Uh, Ryan, don't you have to be home by 11:00 on school nights?

M: Yeah. But I'm sick and tired of being told what to do. I'm not a kid anymore. I'm almost sixteen. I'll go home when I feel like it!

F: Well, I have an eleven o'clock curfew too—and I'm going home. What are you trying to prove? Your parents aren't so strict.

Answer Summit 1 Second Edition Unit 8

**Sarah Schuhl, Mona Toncheff, Jennifer
Deinhart, Brian Buckhalter**

Answer Summit 1 Second Edition Unit 8:

Next Generation Level 1 Teacher's Resource Book with Class Audio CDs (3) Debbie Owen, 2012-05-09 Next Generation is a two level course for Bachillerato combining complete preparation for the Pruebas de Acceso a la Universidad PAU exams with material that helps learners improve their English language skills for life Teacher s Resource Book 1 combines comprehensive teaching notes for the eight units of the Student s Book with photocopiable worksheets providing extra practice of vocabulary grammar writing and phrasal verbs as well as tests mock PAU exams and answer keys to the Workbook and all photocopiable activities It also comes with the Class Audio CDs **EPA Publications Bibliography** *Quarterly Abstract Bulletin* United States.
