Study Guide [to] Economics, a Contemporary Introduction by William A. McEachern, 2nd Ed John E. Lunn, William A. McEachern, 1991 **Economics** William A. McEachern, 2003 In Economics A Contemporary Introduction I draw upon more than a quarter century of teaching and research to convey the vitality timeliness and evolving nature of economics This book starts where the students are not where instructors would like them to be This edition is filled with down to earth examples that turn the abstract into the concrete to help students learn Topics common to both macro and microeconomics are covered in the first four chapters My approach to microeconomics underscores the role of time and information in production and consumption For macroeconomics I use the aggregate demand and aggregate supply model to underscore the fundamental distinction between the active approach and the passive approach International issues are introduced early and discussed often I use case studies as real world applications to reinforce ideas in the chapter and to demonstrate the relevance of economic theory Preface *Interactive Text, Microeconomics* William A. McEachern, 2002-07-23 This very successful textbook is distinguished by a superior writing style that draws upon common reader experiences to introduce economic concepts making economic theory more accessible and interesting Case Studies and numerous examples take advantage of readers intuitive knowledge of economics building upon real life situations Microeconomics Interactive Text by William McEachern combines the original textbook with rich multimedia real time updates exercises self assessment tests note taking tools and much more This combination of print and online material provides learners with active learning tools and tutorials and helps instructors shorten preparation time and improve instruction The Interactive Text offers a complete technology teaching solution that integrates all of the media together in one seamless package no assembly is required Microeconomics Interactive Text consists of two components a Print Companion and an Online Companion seamlessly integrated to provide an easy to use teaching and learning experience The Print Companion is a paperback textbook that includes the core content from the original textbook All time sensitive pedagogical features and materials at the end of chapters have been moved from the printed textbook to the Online Companion The Online Companion provides a dedicated

Web site featuring all of the core content from the Print Companion combined with integrated interactive learning resources self assessment tests note taking features and basic course management tools that enable instructors to create and manage a syllabus track learner self assessment scores broadcast notes to learners and send electronic messages to learners
