Suffer the Little Children Jodi Eichler-Levine, 2015-04-08 Examines classic and contemporary Jewish and African American children s literature Through close readings of selected titles published since 1945 Jodi Eichler Levine analyzes what is at stake in portraying religious history for young people particularly when the histories in question are traumatic ones In the wake of the Holocaust and lynchings of the Middle Passage and flight from Eastern Europe s pogroms children s literature provides diverse and complicated responses to the challenge of representing difficult collective pasts In reading the work of various prominent authors including Maurice Sendak Julius Lester Jane Yolen Sydney Taylor and Virginia Hamilton Eichler Levine changes our understanding of North American religions She illuminates how narratives of both suffering and nostalgia graft future citizens into ideals of American liberal democracy and into religious communities that can be understood according to recognizable notions of reading domestic respectability and national sacrifice If children are the

idealized recipients of the past what does it mean to tell tales of suffering to children and can we imagine modes of memory that move past utopian notions of children as our future Suffer the Little Children asks readers to alter their worldviews about children's literature as an innocent enterprise revisiting the genre in a darker and more unsettled light Teaching Multicultural Literature to Help Children Understand Ethnic Diversity Gail Singleton Taylor, KaaVonnia Hinton, Lisa S. Moore, 2008 Addresses the challenges of multicultural teaching by presenting instructional strategies **Integrating Literature in the Disciplines** Sharon Kane, 2020-04-22 The Second Edition of this practical and comprehensive resource offers a multitude of ways to incorporate literature into teaching and learning across a range of disciplines Future and practicing teachers librarians instructional coaches and school leaders can implement the ideas within this text to improve the literacy skills and knowledge of students while also addressing standards and curricular goals of various content areas The new edition recognizes a paradigm shift from content areas to disciplines reflecting the specific ways reading and writing are used in different fields of study Updated with current research and practices the volume recommends and evaluates books in different genres and categories with chapters on informational books fiction biography and memoir poetry and hands on and how to books For every category Kane provides a rationale instructional strategies and author studies as well as lists and descriptions of books related to curricular areas With a wealth of activities and new BookTalks this Second Edition is greatly revised and features expanded attention to technology digital learning diversity and culture Using this text will create opportunities for deep discussions and will stimulate students interest and motivation to read and learn Integrating Literature in the Disciplines helps educators identify books that fit with any subject to enhance the creative and affective dimensions of school life encourages interdisciplinary connections and increases the depth and relevance of lessons It is ideal for professional development and serves as a tool for Readers Advisory to match books with readers throughout the school day and beyond *Subject Catalog of the Institute of Governmental Studies Library, University of California, Berkeley* University of California, Berkeley.
