universities were founded in a civic tradition that differentiated them from their European predecessors steering away from
the pursuit of knowledge for its own sake Like many such higher education institutions across the United States the
University of Wisconsin s mission known as the Wisconsin Idea emphasizes a responsibility to serve the needs of the state
and its people This commitment which necessarily requires a pledge to academic freedom has recently been openly
threatened by state and federal actors seeking to dismantle a democratic and expansive conception of public service Using
the Wisconsin Idea as a lens Education for Democracy argues that public higher education institutions remain a bastion of
collaborative problem solving Examinations of partnerships between the state university and people of the state highlight
many crucial and lasting contributions to issues of broad public concern such as conservation LGBTQ rights and poverty
alleviation The contributors restore the value of state universities and humanities education as a public good contending that
they deserve renewed and robust support The Bullseye Bulletin ,2004 **American Education** ,1975
