Understanding Everyday Australian Susan Boyer, Leonard Boyer, 1999 **Australian national bibliography**, 1988 **Closing the Justice Gap for Adult and Child Sexual Assault** Anne Cossins, 2020-10-21 This book examines the justice gap and trial process for sexual assault against both adults and children in two jurisdictions England and Wales and New South Wales Australia Drawing on decades of research it investigates the reality of the policing and prosecution of sexual assault offences often seen as one of the hardest crimes to prosecute across two similar jurisdictions Despite the introduction of the many reform options detailed in the book satisfactory outcomes for victims and the public are still difficult to obtain Cossins takes a new approach by examining the nature and effects of adversarialism on vulnerable witnesses jury decision making and the structures of power within the trial process to show how and at what points that process is weighted against complainants of sexual assault in order to make evidence based suggestions for reform She argues that this justice gap is a result of a moralistic adversarial culture which fosters myths and misconceptions about rape and child sexual assault thus requiring the prosecution to prove a complainant's moral worthiness She argues this culture can only be eliminated by a radical replacement of the adversarial system with a trauma informed system By reviewing the relevant psychological literature this book documents the triggers for re-traumatisation within an adversarial trial and discusses the reform measures that would be necessary to transform the sexual assault trial from one where the complainant's moral worthiness is on trial to a fully functioning trauma informed system It speaks to students and academics across subjects including law criminology gender studies and psychology and practitioners in law and victim services as well as policy makers

Policing Nightlife Phillip Wadds, 2020-06-01 Nightlife is a place of both real and imagined risk a frontier Melbin 1978 where apparent freedom and transgression are closely linked and where regulation of leisure and collective intoxication has been diffused throughout an expanding network of state and private actors This book explores Sydney's contemporary night time economy as the product of an intersection of both local and global transformations as policing comes to incorporate more and more private personnel empowered to regulate public drinking and nightlife Policing Nightlife focuses on the historical and social conditions cultural meanings and regulatory controls that have shaped both public and private forms of policing and security in contemporary urban nightlife In so doing it reflects more broadly on global changes in the nature of contemporary policing and how aspects of neoliberalism and the ideal of the 24 hour city have shaped policing security and night time leisure Based on a decade of

research and interviews with both police and doorstaff working in nightlife settings it explores the effectiveness of policies governing policing and private security in the night time economy in the context of media political and public debates about regulation and the gendered and highly masculine aspects of much of this work An accessible and compelling read this book will appeal to students and scholars of criminology policing sociology and those interested in understanding the debates surrounding security policing and contemporary urban nightlife **Australian Hotelier** ,2009-02 *Canadian encyclopedic digest* ,2005 The Bulletin ,1995 *Electrical & Electronics Abstracts* ,1995 *New Scientist* ,2001 **Board and Council** ,1943 *Ulrich's International Periodicals Directory* Carolyn Farquhar Ulrich,1998 Contains essential bibliographic and access information on serials published throughout the world **Associations Canada** ,2001 **Magazines for Libraries** William Armstrong Katz,2003 Hospitality ,2006 **Current Law Index** ,1996 *Railway Track and Structures* ,1993 **The Law of South Africa** ,1976 *The British Museum Catalogue of Printed Books, 1881-1900.
