

Directions: After reading "The Scarlet Red," answer each question in a complete sentence.

1. What is the setting of this story? How can the reader infer that this is the location?

The setting is in Florida in 1915. The reader can infer that the location is in the American South because of the word *bonfire* located there.

2. List two main characters in this book and describe each in detail.

Narrator (Daddy) brother: cruel, manipulative, jealous of Doodle, embarrassed of his brother; impatient; selfish; determined; opinionated; fair game

Doodle: William Armstrong; six-year-old; weak; fragile; physically-challenged tiny body which is not used correctly; cheerful; imaginative; tries to please his older brother; appreciates nature.

3. From what point-of-view is this story told? Cite a line to prove your point.

First person, omniscient

Answers will vary.

"Doodle and I spend a lot of time thinking about our future."

"I can see Johnny watching him, her hand pressed tight across her mouth."

"I thought you'd pretty much..."

"He talked so much that we quit listening to what he had to say." Answers will vary.

4. What is the denotation of the word *doodle*? Why isn't Doodle's nickname appropriate?

The denotation of *doodle* is to scribble (write)—usually or drawings about in a haphazard, careless way. Therefore, the name denotes him and is insulting.

Answers will vary.

5. In what ways might the go-cart, in which the narrator transports Doodle, be a metaphor for his feelings towards his brother?

The narrator pushes his brother in the go-cart, which connotes the pushing and squeezing that he exhibits. He must also steer him around, which signifies the control or manipulation that he feels.

Answers will vary.

6. How does Doodle look at nature? Explain.

Doodle looks at life with awe, wonderment, curiosity, and reverence; he believes it is a miracle. He doesn't take it for granted; he appreciates it. "So pretty—pretty, pretty, pretty, pretty."
He is patient of with calamities, happenings, and great amazement.

7. Why might the coffin *forebode*?

The coffin may *forebode* Doodle's death.
