Dancing on Hot Macadam
Anthony J. Hassall, 1998. This is the first comprehensive study of one of the world's most gifted and exciting writers. It follows Peter Carey's career from the nightmare-haunted stories of *The Fat Man in History* and *War Crimes* to the madcap satire of *Bliss*, from Illywhacker's picaresque landscapes to Oscar and Lucinda's glittering achievement and the powerfully confronting vision of *The Tax Inspector*. *Dancing on Hot Macadam* is a lucid account of Peter Carey's fiction and its intriguing critical reception. It explores his preoccupation with imprisonment and metamorphosis and the desire of his characters to escape from bewildering roles, relationships, and societies. *Dancing on Hot Macadam* is another volume in the excellent *Studies in Australian Literature* series. It is a sound and persuasive critique that gets much better as it goes along. *Times Literary Supplement*. The book contains a lot of ideas and will be the base from which to draw the map of Carey's fiction as it develops.
