

What is Social Media Literacy and How to Develop It?

Social Media Literacy International Bestseller

John W. Miller, Michael C. McKenna

Social Media Literacy International Bestseller:

World Literacy John W. Miller, Michael C. McKenna, 2016-01-29 International literacy assessments have provided ample data for ranking nations charting growth and casting blame Summarizing the findings of these assessments which afford a useful vantage from which to view world literacy as it evolves this book examines literate behavior worldwide in terms of both the ability of populations from a wide variety of nations to read and the practice of literate behavior in those nations Drawing on The World's Most Literate Nations author Jack Miller's internationally released study emerging trends in world literacy and their relationships to political economic and social factors are explored Literacy and in particular the practice of literate behaviors is used as a lens through which to view countries economic development gender equality resource utilization and ethnic discrimination Above all this book is about trajectories It begins with historical contexts described in terms of support for literate cultures Based on a variety of data sources these trends are traced to the present and then projected ahead The literate futures of nations are discussed and how these relate to their economic and sociocultural development This book is unique in providing a broader perspective on an intractable problem a vantage point that offers useful insights to inform policy and in bringing together an array of relevant data sources not typically associated with literacy status

The Routledge Handbook of Global and Digital Governance Crossroads Preeti Shroff-Mehta, Jagdish.N Sheth, John Garrison, Shailendra Raj Mehta, 2024-08-26 This handbook maps and analyzes cross sector public corporate social community faith governance theories models and practices as they are evolving in a digital world It studies human cultural societal institutional interactions and challenges in a digitally enabled world especially in the context of post crisis resilience and agility Every global crisis forces societies and nations to realign while addressing deeper structural and cultural issues in governance The Covid 19 pandemic has necessitated swift local to global governance responses for timely digital innovations for health crisis interventions economic recovery and societal equity While every nation state is developing global pandemic responses in a digitally enabled world the deeper crisis of human institutional and societal governance deficit is also evident This handbook documents digital governance innovations that enhance stakeholder engagement and inclusion for resilient accountable and effective governance across sectors This volume reflects on a range of theoretical frameworks adapted for understanding global and digital governance It looks at international governance collaborations corporate governance reform education governance innovations public sector and urban governance health system governance sustainability and environmental governance community and faith based governance and digital cultural and creativity governance This book is unique as it presents important work on post Covid 19 digital and democratic governance and brings together holistic interdisciplinary and intersectoral perspectives from the Global North and Global South engaging the leading scholars practitioners businesses and civil society It will be of interest to multi sector institutions and global audiences governments corporates social sector institutions digital entrepreneurs students and researchers academic professionals policy makers
