Popular Photography, 2006-04 *Strictly No Heroics* B. L. Radley, 2023-03-28 In *Strictly No Heroics*, a normal teen girl must navigate crushing on her best friend, starting a new summer job, and not being squashed during the next supervillain showdown. In B. L. Radley's young adult debut, filled with humor and heart, a Normie's guide to staying alive in Sunnyside City: 1. Keep your head down, 2. Don't make enemies, 3. Strictly no heroics. The world is run by those with the Super gene, and Riley Jones doesn't have it. She's just a Normie ducking her way around the hero vs villain battles that constantly demolish Sunnyside City, working at a crappy diner to save up money for therapy and trying to figure out how to tell her family that she's queer. But when Riley retaliates against a handsy superhero at work, she finds herself in desperate need of employment, and the only place that will hire her is HENCH. Yes, HENCH, as in henchmen, masked cronies who take villains' coffee orders, vacuum their secret lairs, and posture in the background while they fight. Riley's plan is to mind her own business and get paid, but that quickly devolves when she witnesses a horrible murder on the job. Caught in the thick of a gentrification plot, a unionization effort, and a developing crush on her prickly fellow henchwoman, Riley must face the possibility that even a powerless Normie can take a stand against injustice.
