Murdering Ministers Lars Kaaber, 2016-08-17 Murdering Ministers integrates everything worth knowing about Shakespeare's Macbeth from four centuries of criticism and performances stage as well as film in a scene by scene close reading that provides the reader with an exhaustive knowledge of the play and answers questions that have captivated us for centuries Did Burbage the first Macbeth enter on horseback When does the idea of regicide first occur to the Macbeths Why does Macbeth withhold part of the witches prophecy from his wife Is Banquo honest Did Shakespeare believe in witchcraft Why is the play cursed What has happened to the baby that Lady Macbeth has given suck Answers to this and much more come from actors critics and directors of countless productions since 1606 Moreover Murdering Ministers is an expedition into the historical context of Macbeth the politico religious turmoil of Jacobean England It is hardly a coincidence that Shakespeare's play of regicide and witchcraft followed hard upon an assassination attempt on James I author of a manual on black magic and how to detect it but did the playwright mean to praise or to provoke his king with the Scottish Play Finally the book questions the tradition of the play as an exclusively sombre tragedy with all humour confined to the brief appearance of the porter in Act II Macbeth is in fact full of hilarious dramatic irony rarely explored or exploited since the early 19th century Although it may be a stretch to call it a comedy there is plenty to laugh at It wouldn't be Shakespeare otherwise

Instruments and Automation, 1946 Vols for 1938 44 1946 include an issue called the Instruments index published sometimes as pt 2 of a regular number sometimes as an extra number
