Tourism, Conflict and Contested Heritage in Former Yugoslavia Josef Ploner, Patrick Naef, 2018-12-07 Described as cultural crossroads or mosaic powder keg border bridge or Europe s Other the region comprising former Yugoslavia has over time conjured up ambiguous imaginaries associated with political unrest national contest and ethnic divide Since the disintegration of Yugoslavia and the succeeding Yugoslav Wars of the 1990s both the geography and historiography of the region have been thoroughly reconfigured which has impacted the ways in which heritage is interpreted and used at local regional and national levels In this ongoing process of heritage re interpretation tourism is more than just a dark spectacle While it can be seen as a catalyst through which to filter or normalise dissonant memories it can also be utilised as a powerful ideological tool which enables the narrative reinvention of contested traditions and divisive myths Drawing on case studies from Bosnia Herzegovina Croatia and Kosovo this volume generates new and fascinating insights into the contested terrain of heritage tourism in former Yugoslavia It explores the manifold ways in which tourism stakeholders engage with capitalise on and make sense of sites and events marked by

conflict and trauma Unlike many previous studies this book features contributions by emerging early career scholars emanating from within the region and working across disciplines such as anthropology art history geography and political studies This book was originally published as a special issue of the Journal of Tourism and Cultural Change *What Else is there for a Boy Like Me?* Patrick Moon,2014-01-28 Patrick Moon abandons a successful career as a city solicitor and heads for India Where better he thinks to come to terms with the opportunity he has created for himself the chance to reinvent his life But how much of his old self and his old view of the world will survive this watershed How should he best fill in the blank sheet of paper in front of him And how will he deal with his other reason for travelling to India He wants to try to reinvent another life that of Mohamd a talented young Indian from a primitive village in the Rajasthan desert whose potential is blocked by the twin obstacles of poverty and caste But Patrick underestimates how much of the weight of Indian society will be stacked against him and how difficult it will be to pluck an individual out of India s crowd In the end neither of these twin efforts to change a life works out as Patrick expected But while one can be counted a success the other ends profoundly unhappily A tale as rich in comedy and affection for India as it is full of sadness love and regret What else is there for a boy like me is a compelling read not only for Indiaphiles but also for anyone who has ever felt the impulse to try to change the fortunes of someone from a less privileged part of the world It will also appeal to anyone who has ever fantasised about changing careers in middle age as well as all those who have an interest in the issue of arranged marriages **Belfast**

Feargal Cochrane,2023-01-01 A lively and inviting history of Belfast exploring the highs and lows of a resilient city Modern Belfast is a beautiful city with a vibrant tradition of radicalism industry architectural innovation and cultural achievement But the city s many qualities are all too frequently overlooked its image marred by association with the political violence of the Troubles Feargal Cochrane tells the story of his home city revealing a rich and complex history which is not solely defined by these conflicts From its emergence as a maritime port to its heyday as a center for the linen industry and crucible of liberal radicalism in the late eighteenth century through to the famous shipyards where the Titanic was built Belfast has long been a hub of innovation Cochrane s book offers a new perspective on this fascinating story demonstrating how religion culture and politics have shaped the way people think act and vote in the city and how Belfast s past continues to shape its present and future
