Passing the ARCP Samuel P. Dearman, Adam B. Joiner, Samantha Abbott, Damien Longson, 2014-05-01 Medical trainees must maintain a portfolio which provides evidence that they have met the competencies required by the curriculum This is presented as part of the annual review of competence progression ARCP which each trainee must pass in order to move up to the next year of training Planning and maintaining a portfolio involves a lot of work and can be a source of anxiety and uncertainty for many trainees One of the difficulties is that there is no right way to demonstrate competence or to produce the portfolio Here the head of a school of psychiatry and the medical education manager from a deanery describe how they use the information presented to them to judge whether or not a trainee is making adequate progress This book offers clear and simple guidance to help trainees pass their ARCP Although there is a focus on psychiatry it will aid any medical trainee undertaking specialty training and provide a useful reference for trainers and educational supervisors **Lines Between**

Us, 2025-09-24 Theo Ferreira is a full time student and part time tattoo artist Quiet reserved and focused on finishing his degree he doesn't let distractions into his carefully built world That is until Nina Cantero walks into his shop Nina is restless A student stuck in the monotony of everyday life she craves something anything to make her feel alive again Fresh ink seems like the perfect place to start But what begins as a thrill soon turns into something she never expected Theo awakens a side of her she's never known and Nina stirs feelings in him he thought he was incapable of Sometimes the best stories aren't written in books but in the ink etched on your skin and the hearts brave enough to collide **Algorithms - ESA '95** Paul

business comes through much more clearly in policy circles than the diverse messages presented by individual corporations ensuring that the small business agenda of limited social policy prevails A vivid portrayal of the interplay between business and politics Stuck in Neutral offers a fresh take on some of the most controversial issues of our day It is a must read for anyone interested in the past present and future of the American welfare state and political economy *Hearings* United
