Lecture-free Teaching Bonnie S. Wood,2009 **The Chinese Communist Youth League** Konstantinos Tsimonis,2025-10-01 The Chinese Communist Youth League is the largest youth political organization in the world with over 80 million members Former Chinese President Hu Jintao was a firm supporter of the League and believed that it could play a bigger role in winning the hearts and minds of Chinese youth by actively engaging with their interests and demands Accordingly he provided the League with a new youth work mandate to increase its capacity for responsiveness under the slogan keep the Party assured and the youth satisfied This original investigation of the hitherto unexamined organization

uses a combination of interviews surveys and ethnography to explore how the League implemented Hu s mandate at both local and national levels exposing the contradictory nature of some of its campaigns By doing so it also sheds light on the reasons for Xi Jinping s turn against the League during his first term in office The Chinese Communist Youth League Juniority and Responsiveness in a Party Youth Organization develops the original concept of juniority to capture the complex ways that generational power is institutionalized alienating young people from official political processes with significant implications for China s political development The book will be of interest to researchers and students of Chinese politics as well as to scholars of comparative youth politics and sociology

Werbner,2014-07-20 It is now 50 years since E P Thompson published his classic The Making of the English Working Class The Making of an African Working Class follows Thompson in exploring the formation of working class identity among low paid African workers In arguing for a radical public anthropology of worker identity the book seeks to analyse the cultural legal ideological and experiential dimensions of labour activism often neglected in other labour studies Pnina Werbner shows that by fusing cosmopolitan and local popular cultural forms of protest unionists have created a distinctive vernacular way of being a worker in Botswana one that does not deny workers roots at home or in the countryside while being cognisant of a wider world of cosmopolitan labour rights The assertion of working class dignity honour and respect Pnina argues is a powerful motivating force for manual workers Against legal sceptical approaches The Making of an African Working Class argues that in challenging the government their employer in court manual workers protests and mobilisation are deeply

embedded in ethics social justice and the law *Civic Spaces and Desire* Charles Drozynski, Diana Beljaars, 2019-07-25 Civic Spaces and Desire presents an original and critical appraisal of civic spaces for a novel theoretical intersection of architecture and human geography The authors address civic spaces that embody a strong moral code such as a remembrance park or a casino in various places in the United Kingdom Europe North America Australia and Asia The consecutive chapters of the book present these chosen spaces as the interconnection between the everyday and the ideological By doing so the book reimagines the socio political effects of the countercultural assemblages and ontologies of difference that these spaces produce represent and foster as presented through outcasts and nomads of various kinds and forms The book reflects on different interpretations of the key texts from primarily post linguistic theoreticians such as Gilles Deleuze Félix Guattari and Jacques Derrida It will benefit students and academics in architecture geography philosophy and urban studies and planning who seek to understand the politics of space place and civility By deconstructing normative ideological constructs the book uses the concept of desire to explore the tensions between expectations of civic spaces and the disappointment and wonder of their immanent existence Chapter 1 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license *Biodiversity: my hotel in action: a guide to sustainable use of biological resources in the Caribbean*, 2008 *Lemon-Aid Used Cars and Trucks 2011-2012* Phil Edmonston, 2011-04-25 As Toyota skids into an ocean of problems and uncertainty continues in the U S automotive industry Lemon Aid Used Cars and Trucks 2011-2012 shows buyers how to pick the cheapest and most reliable vehicles from the past 30 years Lemon Aid guides are unlike any other car and truck books on the market Phil Edmonston Canada's automotive Dr Phil for 40 years pulls no punches Like five books in one Lemon Aid Used Cars and Trucks is an exposé of car scams and gas consumption lies a do it yourself service manual an independent guide that covers beaters lemons and collectibles an archive of secret service bulletins granting free repairs and a legal primer that even lawyers can't beat Phil delivers the goods on free fixes for Chrysler Ford and GM engine transmission brake and paint defects lets you know about Corvette and Mustang tops that fly off gives the lowdown on Honda Hyundai and Toyota engines and transmissions and provides the latest information on computer module glitches **eService-Learning** Jean R. Strait, Katherine Nordyke, 2023-07-03 This book serves as an introduction to using online teaching technologies and hybrid forms of teaching for experiential learning and civic engagement Service learning has kept pace neither with the rapid growth in e learning in all its forms nor with the reality that an increasing number of students are learning online without exposure to the benefits of this powerful pedagogy Eservice learning electronic service learning combines service learning and on line learning and enables the delivery of the instruction and or the service to occur partially or fully online Eservice learning allows students anywhere regardless of geography physical constraints work schedule or other access limitations to experience service learning It reciprocally also equips online learning with a powerful tool for engaging students In eservice

learning the core components of service learning and reflection may take a different form due to the online medium for example reflection often occurs through discussion board interactions journals wikis or blogs in an eservice learning course Moreover the service though still community based creates a world of opportunities to connect students with communities across the globe as well as at their very own doorstep This book introduces the reader to the four emerging types of eservice learning from Extreme EService Learning XE SL classes where 100% of the instruction and 100% of the service occur online to three distinct forms of hybrid where either the service or the instruction are delivered wholly on line with students for instance providing online products for far away community partners or in which both are delivered on site and online It considers the instructional potential of common mobile technologies phones tablets and mobile reading devices The authors also address potential limitations such as technology challenges difficulties sustaining three way communication among the instructor community partner and students and added workload The book includes research studies on effectiveness as well as examples of practice such drafting grants for a community partner an informational technology class building online communities for an autism group and an online education class providing virtual mentoring to at risk students in New Orleans from across the country Handbook of Parliamentary Studies Cyril Benoît, Olivier Rozenberg, 2020-11-27 This comprehensive Handbook takes a multidisciplinary approach to the study of parliaments offering novel insights into the key aspects of legislatures legislative institutions and legislative politics Connecting rich and diverse fields of inquiry it illuminates how the study of parliaments has shaped a wider understanding surrounding politics and society over the past decades *Prekäre Arbeit und Zivilgesellschaft* Janina Zeh, 2017-05-29 Janina Zeh geht in diesem Buch der Frage nach ob es infolge der Prekarisierung der Erwerbsarbeit zu einer Abnahme von Solidarität und zivilgesellschaftlicher Beteiligung kommt Die Autorin nimmt dabei Lnder und Genderdifferenzen gesondert in den Blick Theoretische Bezugspunkte stellen Normalitätsvorstellungen von Erwerbsarbeit die Theorie relativer Deprivation sowie die Anerkennungstheorie dar Die aufgezeigten theoretischen wie quantitativ empirischen Analysen besttigen ergnzen und relativieren bisherige Annahmen der Prekarisierungs und Engagementforschung **CPB Civic & Public Building.** ,
