Dividing the spoils Henrietta Lidchi,Stuart Allan,2020-09-29 At a time of heightened international interest in the colonial dimensions of museum collections *Dividing the Spoils* provides new perspectives on the motivations and circumstances whereby collections were appropriated and acquired during colonial military service Combining approaches from the fields of material anthropology imperial and military history this book argues for a deeper examination of these collections within a range of intercultural histories that include alliance diplomacy curiosity and enquiry as well as expropriation and cultural hegemony As museums across Europe reckon with the post colonial legacies of their collections *Dividing the Spoils* explores how the amassing of objects was understood and governed in British military culture and considers how objects functioned in

museum collections thereafter suggesting new avenues for sustained investigation in a controversial contested field
