swapped with someone else in another reality Why would another three persons apparently chosen at random have their consciousness swapped with three other someone elses in another reality Why would the entire bridge crew of a starship apparently well you get the picture What will happen to all these very confused people How does the Alternate Reality News Service get scoops on these events so quickly Why are their reporters acting so dodgy do they have something to hide or just issues Who are the Pops and can they help Does the editor know what s going on and if she does would she even tell Noomi our favourite TA investigator What was that noise from her office when Noomi was interviewing her Why am I asking you these questions when you haven t even read the story yet Or have you Why are you reading this blurb if you ve already read the story Are you looking for an alternate reality or just alternative facts This is fiction you know we tell it like it is If you want alternative facts you better try a news service or a politician Oh and if you re looking for a news service you could always consider the Alternate Reality News Service **Field Service Manual** Great Britain.
