The Crucible Synthesis Essay

Throughout human history, there have been incidents of mass hysteria in a wide variety of societies. These incidents have ranged in severity and length, but questions remain about why this phenomenon happens in the first place and why it so easily spreads in human societies. Further, some have noted the lasting impact that some of these incidents of mass hysteria have on the memory and culture of these societies. By contrast, others dismiss these incidents as anomalies that societies forget and ignore.

Carefully read the following six sources, including the introductory information for each source. Write an essay that synthesizes at least three of the sources and develop your position on the impact, if any, that mass hysteria has on a society.

Source A (Miller)

Source B (Edison)

Source C (Coburn)

Source D (Bartholomew)

Source E (Bagus et al.)

Source F (Cartoon)

In your response you should do the following:

- Respond to the prompt with a thesis that presents a defensible position.
- Select and use evidence from at least three of the provided sources to support your line of reasoning.
- Indicate clearly the sources used through direct quotation, paraphrase, or summary. Sources may be cited as Source A, Source B, etc., or by using the description in parentheses.
- Explain how the evidence supports your line of reasoning.
- Use appropriate grammar and punctuation in communicating your argument.
