All About Me Essay Introduction:

Please Allow Me to Introduce Myself: Essays on Debut Albums George Plasketes, 2016-04-22 Debut albums are among the cultural artefacts that capture the popular imagination especially well As a first impression the debut album may take on a mythical status whether the artist or group achieves enduring success or in rare cases when an initial record turns out to be an apogee for an artist Whatever the subsequent career trajectory the debut album is a meaningful text that can be scrutinized for its revelatory signs and the expectations that follow Please Allow Me to Introduce Myself Essays on Debut Albums tells the stories of 23 debut albums over a nearly fifty year span ranging from Buddy Holly and the Crickets in 1957 to The Go Team in 2004 In addition to biographical background and a wealth of historical information about the genesis of the album each essay looks back at the album and places it within multiple contexts particularly the artist s career development In this way the book will be of as much interest to sociologists and historians as to culture critics and musicologists

Right My College Application Essay Christine Gacharna, 2023-05-12 The college application essay uses a completely different rhetorical mode from the typical five point essays high schoolers are used to writing and that s the catch 22 most students won t learn about rhetorical modes and organizational methods until their undergraduate English courses only first you have to get in In this post COVID era many colleges and universities have made standardized test scores optional for admission which puts even more pressure on students to write an essay that separates them from others in a sea of highly qualified applicants Right My College Application Essay bridges the gap between high school English lit and academic writing at the undergraduate level starting with the college application essay This step by step guide uses powerful visuals easy to follow instructions and sample student essays to guide students in writing organizing and polishing a college application essay that weaves in personal variables to help make them jump off the page Award winning writer newspaper editor former lead faculty and English communications instructor Christine Gacharna spent six years teaching undergraduate writing courses and streamlining the evaluation and assessment of student writing for her faculty peers In this workbook she shares her radically effective trademarked system of Communicate Navigate Punctuate to transform anxiety into a stress free path to crafting a college application essay that helps high school seniors sell themselves to admissions officers land acceptance letters and earn scholarship offers to help them achieve their undergraduate dreams

The Humble Essay Roy K. Humble, 2023-04-01 The Humble Essay is so much more than a writing textbook It gives you tools tips and tricks that actually explain what a writer does It doesn t sugarcoat the process or dumb down the very real challenges that entering a college writing space requires This book is more like a friend It s the kind of friend that will coach you through a tough time and encourage you and it will make you laugh while you go through it It s the kind of friend who holds your hair back when you re sick of writing and gives you the courage to try again Roy K Humble is the kind of writing teacher who understands the struggle of learning how to write like a college student and doesn t just tell you what you want to hear His lessons here

are profound but in the sense that they are delivered by someone who wants you to feel included in the conversation about what good college writing should be He writes to students in language they can understand without becoming English majors and with just enough humor to keep them reading He writes for faculty moving step by step through the unadorned guiding principles of effective formal writing so that faculty have a great framework on which to build their classes Perhaps most importantly Humble understands that the price of a book matters to students so his books are affordable From every perspective Humble gets it The Humble Essay has students covered on these important topics Understanding the college essay as an idea Grasping the stages of the writing process Organizing the college essay around cohesive paragraphs Thinking for yourself as a college student Gathering and synthesizing sources and information Guiding readers through a thoughtful college essay

Holding Me Together Duane Simolke, 2005-08 The first edition of *Holding Me Together* received a StoneWall Society Pride in the Arts Award Simolke's publisher iUniverse named it an Editor's Choice selection This revised second edition begins with an updated version of his multi part essay Reactions to Homophobia followed by poems and short essays on a variety of topics such as writing AIDS religion violence family friendship and gay relationships It also includes several new or newly revised works Many of the poems and essays in this collection also appeared in various magazines and newsletters Though *Holding Me Together* focuses heavily on gay themes it also examines universal themes and will appeal to countless readers From Reactions to Homophobia Treat other people's insecurities as their weakness not as a reason to hate yourself or remain silent Try to inform others and get along with others but never base self acceptance on whether others accept you Hateful knee jerk phrases can stick in your mind like a worn out song you never liked in the first place but you should learn to see yourself as beautiful and wonderful If others fail to see you that way consider it their loss

Weiss,2012-04-27 One of the more prolific and influential analysts of multilateral approaches to global problem solving over the last three decades is Thomas G Weiss Thinking about Global Governance Why People and Ideas Matter assembles key scholarly and policy writing This collection organizes his most recent work addressing the core issues of the United Nations global governance and humanitarian action The essays are placed in historical and intellectual context in a substantial new introduction which contains a healthy dose of the idealism and ethical orientation that invariably characterize his best work This volume gives the reader a comprehensive understanding of these key topics for a globalizing world and is an invaluable resource for students and scholars alike **Essays on Music** Hans Keller,2005-06-30 Hans Keller 1919 1985 who lived and worked in London was one of the most brilliant and stimulating writers on music of his day and the new theory of music which has emerged from his psychologically based music criticism has exerted considerable influence on a whole generation of composers and performers This first large selection of his writing will appeal to professional and amateur musicians and all those listeners who remember the distinctive style of his broadcasts for the BBC **Encountering the Secular** J. Heath Atchley,2009-02-11 In Encountering the Secular J Heath Atchley proposes an alternative to the understanding of the secular as that which opposes the religious and he turns to American and Continental philosophy to support his critique Drawing from thinkers as disparate as Ralph Waldo Emerson and Gilles Deleuze and engaging with contemporary literature and film Atchley shows how the division of experience

individual cultural political into the distinct realms of the religious and the secular overlooks the subtle ways in which value can emerge Far from arguing that the religious and the secular are the same he means instead to suggest that the dogmatic separation between these two realms gets in the way of experiencing an immanent value a kind of value tied neither to a transcendent reality e g a god or an ideal nor to a self centered reality e g pleasure or knowledge Each chapter cultivates a particular concept that challenges the breach between the secular and the religious rendering that breach ambiguous Such ambiguity the author affirms is relevant to a time when rigid and simplistic notions of religion and secularity are used to justify thoughtlessness and even violence All too often the secular is thought of either as a triumph in overcoming the presumed irrationality and oppression of religion or as lament in losing the meaning religion is thought once to have offered Atchley suggests a view of the secular as an opportunity to experience an immanent value that is neither controlled by the human self nor conferred by a divine entity Written in a prose that is lucid lively and provocative *Encountering the Secular* shows how a philosophical endeavor might be understood as a spiritual practice

Essays in Religion and Morality William James,1882 *Essays in Religion and Morality* brings together a dozen papers of varying length to these two themes so crucial to the life and thought of William James Reflections on the two subjects permeate first James s presentation of his father s Literary Remains second his writings on human immortality and the relation between reason and faith third his two memorial pieces one on Robert Gould Shaw and the other on Emerson fourth his consideration of the energies and powers of human life and last his writings on the possibilities of peace especially as found in his famous essay *The Moral Equivalent of War* These speeches and essays were written over a period of twenty four years The fact that James did not collect and publish them himself in a single volume does not reflect on their intrinsic worth or on their importance in James s philosophical work since they include some of the best known and most influential of his writings All the essays throughout their varied subject matter are consistently and characteristically Jamesian in the freshness of their attack on the problems and failings of humankind and in their steady faith in human powers *Essays with Introduction, Notes and Index* Francis Bacon,1876 **The Book of Everyday Resistance** Christopher Golden ,Jessica Pipp,Michele Hornish,David Freed,Ed Stein,Riki Wilchins,2025-03-07 The next four years are going to be difficult Those of us who did not vote for this President are deeply concerned about the direction in which this country is now headed I was asking myself What can I really do Through the creation of this book I have come to realize that I am actively participating in resistance every day Most importantly through my work in publishing I am supporting artistic and literary expression that examines the perils of our current trajectory speaks of a different approach to governance and outlines effective approaches to political and social activism THE BOOK OF EVERYDAY RESISTANCE is a collection of essays about what we can do to resist how we resist and why we resist It features voices of all ages who are resisters including politicians writers of every genre prominent public figures firefighters teachers medical professionals librarians lawyers and students The purpose of this book is to let us all know we are not alone and that we are part of a large community of common purpose Hopefully with this book we will inspire each other and give each other ideas about how to resist those forces that seek to shut down our work toward a more progressive inclusive society Lori Perkins Publisher Riverdale Avenue Books Publisher of the MeToo anthology Amazon 1 Feminist Theory title Bi Publisher of the Year 2014 Bi Writers Association **Visual Writing** Alex Baratta,2010-07-12 Considering the fact that the academic essay continues to be widely used as an assessment tool within education there is a need for students to develop their skills in this area However it is often the case that students perceive instruction in academic writing if it is offered at all as boring This book addresses these two issues First the book can be used by students themselves even in the absence of academic writing classes as a self help guide from which they can develop

their knowledge of academic writing and subsequent proficiency Second by discussing the components of academic writing in terms such as film which are familiar to today s generation students are enabled to relate to the material better and see what might have been perceived as dull from a brand new perspective Visual learners in particular will enjoy the analogous link between films and essays and students today are arguably more visually literate than previous generations being exposed to visuals on a daily basis through text message iconography computer games and the Internet The visual instruction provided in turn helps to facilitate mental visuals in students minds from which their knowledge of essay writing can start to develop
