Banks, 2023-05-19 Tony Austin is the most talked about attorney of the 21st century He is widely considered the most compelling attorney of all time Early in his career he was nicknamed the Dapper Don of attorneys attracting the attention of news media As much as they wanted to focus on his stylish wardrobe his craftiness and work ethic overshadowed his attire Like a magician he s made some of the world s most wicked criminals appear innocent By hook or crook he stops at nothing to defend his client even if it means crossing that fine line between ethical and unethical With all the antics the Government and the Judicial system have used against him there s no game he hasn t seen He s gone against the system blow for blow singlehandedly When it comes to victory no pebble is too tiny for him to kick over and no mountain is too big for him to climb With all the challenging battles he s fought to save his clients freedom he now faces the most brutal one of them all and that s retaining his own freedom Tony Austin has declared war against the United States of America which may be the biggest mistake he s made in his life It s a Block Party 20 year reunion as Tony is reacquainted with former clients As retaliation for Tony s war the Feds are attempting to tie Tony into the criminal enterprises of those clients His decision is destroying his life and the lives of innocent people close to him Will Attorney Tony Austin be able to work his magic and pull himself and the many people affected out of this disaster or will his 20 year winning streak end with him behind bars like a criminal **Jack**
