All Days Are Night:

All Days Are Night Peter Stamm,2014-11-06 Gillian seems to have it all she is beautiful successful and securely married But one night after an argument with her husband their car crashes on a wet road and everything is lost When she wakes in the hospital she is a widow with a ruined face and no way back to the person she thought she was It is only when she begins to piece together the painful shards of her present existence and revisit a relationship from her past that she is able to glimpse the freedom that might come with her loss From the master of unadorned storytelling All Days Are Night is a quietly disquieting exploration of identity inside and out

Preface The Brickmaker ,1893 Shakespeare and the Italian Renaissance Professor Michele Marrapodi,2014-12-28

Shakespeare and the Italian Renaissance investigates the works of Shakespeare and his fellow dramatists from within the context of the European Renaissance and more specifically from within the context of Italian cultural dramatic and literary traditions with reference to the impact and influence of classical coeval and contemporary culture In contrast to previous studies the critical perspectives pursued in this volume s tripartite organization take into account a wider European intertextual dimension and above all an ideological interpretation of the aesthetics or politics of intertextuality Contributors perceive the presence of the Italian world in early modern England not as a traditional treasure trove of influence and imitation but as a potential cultural force consonant with complex processes of appropriation transformation and ideological opposition through a continuous dialectical interchange of compliance and subversion Intelligent Design Origin of Human Destiny Theodore Green,2006-07
