Through the Looking-Glass Cherie Wilde, Humpty Dumpty s hands grasped the hem of Alice s dress lifting the fabric with deliberate slowness The cool air caressed her legs as the material rose higher past her knees past her thighs until her bottom was fully exposed to the open air She shivered not from cold but from the peculiar vulnerability of her position hands braced against the sun warmed wall skirts raised awaiting a punishment she could neither see nor predict It seemed the looking glass world was determined to reveal new sensations at every turn each more startling than the last Alice felt Humpty s presence shift behind her the air displacing slightly as he moved Then came a momentary stillness a pause pregnant with anticipation that made her breath catch in her throat When the first smack landed the sharp sound of palm against flesh cracked through the air like summer lightning followed an instant later by a sting that made Alice gasp aloud Oh The exclamation escaped her lips before she could contain it her body jerking forward against the wall The warmth of the bricks pressed against her palms a steadying presence as a curious heat bloomed across the right cheek of her bottom Alice s Erotic Journey Through the Looking Glass is a sensual reimagining of the classic story daringly transformed into a luscious tapestry

of desire decadence and playful taboo A year after her unforgettable adventures in Wonderland 21 year old Alice once again finds herself stepping beyond the ordinary this time through the shimmering surface of a mirror into a world where every reflection holds temptation and every square of the great chessboard world promises a new lesson in pleasure Here the prim rules of Victorian decorum shatter into shards of silk and sin Alice finds herself in a garden of wickedly sensuous flowers among mirror born versions of herself who tease tempt and teach The worldly Walrus and Carpenter introduce her to forbidden pleasures while an amorous Knight rides with her into passion s rhythm She crosses paths with the mischievous Tweedledee and Tweedledum whose fierce rivalry turns into daringly intimate contests and with Humpty Dumpty whose stern discipline awakens aching delicious desire And waiting at journey s end is the sultry Red Queen poised to lead Alice into the ultimate surrender and reveal the full unbridled power of her passions Exquisitely erotic wickedly imaginative and unapologetically daring Alice s Erotic Journey Through the Looking Glass picks up where Alice s Erotic Adventures in Wonderland left off More than a sequel it s a sumptuous invitation to strip away inhibitions and surrender to a realm where fantasy temptation and forbidden pleasure rule supreme Dare to step through the looking glass with Alice Dare to never look back

Women's Writing in Colombia Cherilyn Elston,2016-12-20 Winner of the Montserrat Ord ez Prize 2018 This book provides an original and exciting analysis of Colombian women s writing and its relationship to feminist history from the 1970s to the present In a period in which questions surrounding women and gender are often sidelined in the academic arena it argues that feminism has been an important and intrinsic part of contemporary Colombian history Focusing on understudied literary and non literary texts written by Colombian women it traces the particularities of

Colombian feminism showing how it has been closely entwined with left wing politics and the country's history of violence. This book therefore rethinks the place of feminism in Latin American history and its relationship to feminisms elsewhere, challenging many of the predominant critical paradigms used to understand Latin American literature and culture. **The Erotic Motive in Literature** Albert Mordell, 1919 *Ventures Into Childland* U.
