The Limits of Liberty Sarah Conly, 2025 Liberty in itself has no value Whether liberty matters depends on what state of affairs the liberty in question produces or allows That is when liberty is valuable it is valuable only as a means to an end If a specific liberty no longer produces a net valuable end that has no value and there is no reason to preserve it If a person or people's having a liberty does too much harm that liberty needs to be curtailed and the loss of that liberty is not the loss of anything of value Provided by publisher
