All Camp Rock Songs:

Rock Song Index Bruce Pollock, 2014-03-18 The Rock Song Index Second Edition is a new version of a well received index to the classic songs of the rock canon from the late 40s through the end of the 20th century The study of the history of rock music has exploded over the last decade all college music departments offer a basic rock history course covering the classic artists and their songs

The Rock Cover Song Doyle Greene, 2014-03-13 Cover songs operate as a form of cultural discourse across various musical genres and different societal historical and political conditions Case studies include a comparative analysis of Jimi Hendrix's and Whitney Houston's versions of The Star Spangled Banner as well as a mapping of the trajectory of I Can't Get No Satisfaction from the original version by the Rolling Stones through cover versions by Otis Redding Devo and Britney Spears The radical deconstruction of pop and rock songs by the Residents and Laibach is also examined with additional studies of cover songs by such as Van Halen Kim Wilde Rufus Harley the Four Tops Pat Boone and Johnny Cash Rather than questions of quality or how a cover song measures up as better or worse than other versions this book focuses on the ideological implications and social stakes of the same old songs as they are reconfigured to consider comment on and confront political issues of gender sexuality race the nation state and the generation gap

Camp Rock: Second Session #4: Hidden Tracks Helen Perelman, 2009-01-27 SERIES DESCRIPTION Mitchie made it through the first summer session at Camp Rock and managed to snag the heart of popstar Shane Grey and perform in the famous final jam Now in these all new original stories the second session of Camp Rock is in full swing and that means more singing songwriting and serious drama of the Tess variety are going to take center stage

DIV Camp Rock Second Session 4 Hidden Tracks

DIV When Brown announces a scavenger hunt the campers go wild But they get even more pumped when he announces that the winner will get a hidden track on Connect Three's new album Mitchie and Caitlyn team up to be winners but some news from Lola throws them off their game

Sects, Love, and Rock & Roll Joel Heng Hartse, 2010-11-01 If this book moves I hope it moves in the way pop songs do There will be a lot of talk about songs but inasmuch as this is a book about listening to music it's also about how listening to music makes us who we are or at least about how it makes me who I am and so it is an exploration an idiosyncratic and opinionated and particular one of a self shaped by the oddly intersecting forces of the American evangelical Protestant church and the American popular music scene I don't mean for that to sound hoity toity if this were fifteen years ago I would say that this book was about Christian music and I would know exactly what I meant My purpose now is not only to talk about Christian music I am not here to explicate Christian music to explain why it exists and whether it is any good Instead think of what you're about to read as like an iPod playlist a collection of essays and thoughts on listening to music and having faith and how they have made me and a lot of people like me and maybe you Also there will be some jokes about Stryper
