All He Ever Wanted English Edition:

Billionaire's Love Brenda Pearson, 2016-08-02 Megan Harrison has already been burned once by billionaire Max Pierce. Burned badly. He was her first true love and she'd given him everything she had to offer. She'd thought he loved her too, that is until he ended their relationship by leaving her a casual note wishing her well. Now, after three years of licking her wounds, Megan finds herself unavoidably thrown into daily contact with Max when he enters into her professional life. But this time things are different. No longer a naive university student who believes in true love, Megan is in the driver's seat. Despite Max's protestations that leaving her was a mistake and that he is a changed man, Megan knows better. Max might seem to have everything else power, success, looks, but he can't have her. No matter how much he says he loves her, no matter how much he is there for her, she can't let history repeat itself. Or can she? **GREATER THAN THE SUM TOTAL** DC Doyle, 2014-07-07 Morgan Russell, Sienna Borden, and Lenore Huston almost always see each other in the infusion lab of the Oncology Department of The Center. All three are being treated by Dr. Lucille Peyton, a hardworking, dedicated physician and friend. All of them are battling one common enemy: cancer. While life itself is a constant challenge in the course of their treatment, The Center is undergoing rapid changes under new management that are determined to keep the hospital from bankruptcy. Dr. Jerry Cherry, an accountant, currently heads the board of directors. His resolve to downsize the hospital staff and departments for financial stability clashes with the doctors' ethos and primary duty: the treatment of patients to the best of their abilities. For unknown reasons, the Oncology Department seems to be the hardest hit by layoffs, and Dr. Peyton becomes the recipient of charges for company violations that threaten to end her career as physician forever. *Dusty Rose* Vicki Lea Miller, 2012-04-25 After years of hard work and putting everything on the back burner to make it to the top, Rose was finally where she wanted to be. There were still times in the middle of the night when she found herself wondering what happened to the man she loved and if he ever thought of her, maybe he was happily married with kids and a dog somewhere. Little does she know that the mind of a sick killer will bring her face to face with the only man she had ever loved and have her running as the killer tries to take everything away from her, even her life. She will find that there is much more to her than being just another pretty singer. Go on a journey with Rose as she enters the dark shadows of a twisted mind and tries to get back home and stop the sadistic killer from hurting anyone else. *I'm Doin' Me* Anna Black, 2015-01-01 After Tiffany lands a position as executive producer and head writer for the hit television series *Boy Crazy*, her career is skyrocketing. All seems perfect until she learns that the network will be cancelling her show. To add insult to injury, when she returns home from work, she catches her man in bed with the hired help. Despite her personal problems, she's determined to move on and find a new home for her show. She pitches it unsuccessfully to every network on her list until she finally piques the interest of the cable network TiMax. The only problem is that the network is run by Langley Green, father of Tressa Green, who happens to be the fiancé of Tiffany's high school crush, Kory Banks. Touted as the queen of L.A., Tressa not only wants to keep her man away from Tiffany.
