

Kawasaki

KX500

Motorcycle Service Manual Supplement

This supplement is designed to be used in conjunction with the '90 KX125/KX250/KX500 Motorcycle Service Manual (P14-09000-1101-01). The maintenance and repair procedures described in this supplement are only those that are unique to '90 and up KX500 motorcycles. Most service operations for this model remain identical to those described in the base Service Manual. Complete and proper servicing of the '90 and up KX500 motorcycle therefore requires this Supplement and the base Service Manual.
