A Single Yellow Rose:

A Single Yellow Rose Connie High, 2014-10-20 Emma is a captivating young woman but struggles daily to overcome a childhood defined by horrific abuse Her torturer was a deranged father who stood in front of his congregation weekly portraying himself as a Godly man filled with righteousness and morality He haunts her days and nights coming to her with threats and violence even after his death many years ago As a child her true savior was an extroverted illusion she named Skipper due to his manner of movement Unable to cope with sadistic punishments immediately he was summoned leading her into places of solace free of pain and suffering Skipper was the key to safeguarding sanity when her fragmented psyche needed to escape her father Emma s protector s appearance was always preceded by the presentation of a single yellow rose A tragic event witnessing her husband s murder thrust Emma over the edge transporting the charismatic beauty into a past life where she joined strangers to exist in the 19th century Without memory she made her way through controversial lifestyles learning to love again and teaching new friends the gift of acceptance Through her adventures we meet Dr Jacob Armstrong a handsome Southern aristocrat He is a man of integrity clashing with neighbors and family due to his refusal to obey the law of the land and his hatred of slavery approved by his ancestors Effie and William his friends and partners learn to love Emma tolerating her quirks and weird ideas They wait patiently for the day they might reunite with their only child Emma is pleased throughout her journey with the addition of friends Naomi with her spaced teeth and slang language is a rescued slave waiting for her final journey She befriends the frisky redhead each teaching the other valuable life lessons Episodes of romantic foreplay with Jacob teasing and frolicking with William witnessing agonizing recreations of 19th century traditions and battling enemies to protect loved ones all come together to finalize Emma s attempt to live as a whole Gage Jacob s half brother born from a slave and their shared father is invaluable in the plantation s efforts to transport their rescues to freedom Through scheming and luck Emma joins the committed troop in their wildest venture to successfully rid the community of its most vindictive citizen and deliver to her close allies their long lost daughter Through action suspense and violence Emma s split psyche leads her to the one reason Skipper delivered her to this particular location Her husband s murderer resided in Sweet Water County during his past life Did she plot to kill him realizing all his future devilish deeds would be avoided Does she have the fortitude to destroy the image of her own father Existing in a two dimension world is complicated In the end does Emma s psychosis choose to remain the sanctity of the past releasing her torment or return to her husband Peyton with a renewed hope for happiness With her goals accomplished as she sat and waited for her subconscious and Skipper to guide her into a final conclusion Peyton stands by her side She breathes in the sweet seductions of a single yellow rose Keywords Adventure Romance Historical Witty Tragic Complex Emotional Compelling Drama Fantasy Childhood Abuse Psychosis *Yellow Roses* BP Casey, 2023-12-20 Kelly Fitzgerald was no stranger to the injustice of life to the pain selfish people inflict on the innocent so when she sees a horrific crime being committed she is willing to do what is

necessary to make the criminal pay for his crimes While she is willing to give her life to this cause is she willing to give her heart a heart that was shattered in one of those horrific crimes to a man sure to hurt her Sean Reilly learned as a small child that love had no place in his life that is until he finds a friend in a damaged woman and becomes the father to a child that should not have lived Bert and Seamus are his family and that should have been enough but when he is thrown into the same room with a red haired woman with sad green eyes he discovers that he is willing to give his life and his heart to make those green eyes sparkle As Kelly and Sean try to stay one step ahead of a cold blooded killer they must learn to trust again to take the chance that love will overpower hurt if they are going to have the prize that only family can bring Yellow Roses, Precious Songs Regina Bianco Cosenza,2011-12 In Long Island and New York City during the prosperous 1970s life was good It was a time of plenty plenty of jobs plenty of money plenty of hope for all and everything seemed right with the world For Anna Maria Bellone a vibrant college graduate from Long Island it was also a time to begin her career with a prominent NYC insurance firm It was not long before she met the captivating Andrew Moore who quickly swept her into his life and his soul They enjoyed everything their beautiful city had to offer but the secrets he held close and the events of one fateful evening shook their relationship almost beyond repair Was it possible that all they had shared and built together could be so easily destroyed in a matter of moments Could romance end so swiftly leaving only broken lives and bittersweet memories behind Anna relied on her strength and the love that was born below the shadows of the Manhattan skyline She prayed that her faith would help Andrew heal emotionally while she physically recovered from the night that forever changed them But Andrew had a different idea To save her further misery he was convinced that if he put half a country between them his plan would be successful Could their love overcome the circumstances that tried to separate them Was it possible for a love founded in the shadows to blossom in the sunshine of happily ever after The Rose Amateur's Guide ...
