Official Gazette of the United States Patent and Trademark Office ,1997 *Split-The Early Years* Martin J. Cvitkovich,2007-09-19 Motorcycle adventure First true love on the road LSD trips Born in 1951 I have the privileged title of Baby Boomer I came from a large family that lived in the burbs It was in this setting that I became uneasy around people I found inner peace by being alone I discovered during a classroom bomb drill or watching films of the atomic bomb or maybe while the older kids were being drafted that everyone has a dream but very few live to see that dream come true As a troubled teenager I decided to live my dream while I was still able In the spring of 1970 I saddled up a 650 Thunderbolt motorcycle and with four other riders we split the scene Staged in the psychedelic era Split The Early Years chronicles the events of a careless life on the road

Fool's Hill Dr. Ron Cubit,2019-11-22 The two most important days in your life are the day you are born and the day you find out why Mark Twain Dr Cubit s memoir Fool s Hill The Meaning Why As displayed on the front cover an angry young man is about to climb a hill which represents the challenge of discovering his meaning why There is a path to follow however the young man cannot see what lies ahead because of the dark clouds The front cover displays one path which he must traverse Fool s Hill to discover his meaning why and fulfill his destination in life The young man is unclothed indicating that he does not have the necessities or tools to navigate Fool s Hill or the wherewithal to choose what he needs to make the journey The back cover displays the same young man who is older now after enduring the challenges of climbing Fool s Hill Along the way he finds his meaning why Moreover because of the lessons learned from his journey he is fully clothed and prepared Equipped with tools on one hand is a doctorate degree and on the other is a hiking pole to help him avoid trips and falls In addition instead of a dark path as displayed on the front cover the bridge on the back cover represents a straightforward path to fulfilling his meaning why On the back cover in the background are more hills to master Still because of overcoming life s challenges and the tools acquired the hills appear much smaller Moreover the scenery displayed on the back cover helps him not to forget that future challenges may exist The scenery also helps him realize the beauty of his journey and to bestow gratitude for his relationship with God which helped him overcome the obstacles along his path in addition to the blessings and serendipities acquired The man looks beyond and can now use his God given talents and tools to continue his journey and enhance his meaning why Ergo Dr Cubit s life in the memoir Fool s Hill The Meaning Why

My Life Lois Brown,2012-02-29 Lois Brown offers a straight retelling of her history in My Life This autobiography is about growing up on a large farm in Newberry Florida the daughter of Albert Preston Hodge

and Lois Magnolia Stephens It is interesting to note how simplicity makes the details of Browns story all the more compelling for readers Perhaps it is the careful loving attention the author gives to everyone who populates the book A precision that is clean and bright makes even barbecued goat her brother Walters favorite seem a natural and necessary part of living The book is built with well organized chapters that manage to take all the threads of family history into a very readable whole Again it is Lois Browns talent for storytelling that comes to the fore Nothing is out of place and each disparate chapter blends into another with nary a bump for the reader The interesting details continue without flagging and the writing is seen to be a concise consistent and steady rhythm that is almost hypnotic The author knows all the details of local color so intimately that the reader is taken straight into the sights and sounds of a tobacco auction or reads of some delicious home cooking whose aromas can almost come out of the page From early childhood onward we see how the woman Lois Brown is formed from both the fertile ground of family history and an intelligent personality Replete with pictures and stories that defined moments and true lives here is the remarkable result of Lois Browns patience and determination to tell her story
