Crossing Linguistic Borders in Postcolonial Anglophone Africa Jemima Anderson, Valentine N. Ubanako, 2014-11-10 The papers collected in this volume discuss applied pedagogical and ideological issues related to language use in selected countries in post colonial Anglophone Africa The collection represents new voices in linguistics from Cameroon Ghana Kenya and Nigeria and is structured in four sections covering the following themes languages in contact

language identity ideology and policy communication and issues of intelligibility language in education The volume discusses the linguistic paradoxes and complexities that have emerged from the contact between English and or French and indigenous African languages Some of the papers collected here discuss the characteristics functions and peculiarities of the emerging varieties of languages that have developed in these post colonial African States Furthermore the book offers empirical data on up to date research drawn from the expertise of budding and established scholars in the areas under discussion and demonstrates the rich body of research that is developing in post colonial Africa Some of the areas covered in this volume include the linguistic products of bilingualism in Cameroon Ghana Kenya and new linguistic and sociocultural borders of Cameroonian Pidgin Creole which bridge the ideological gap between English and French speaking communities in Cameroon unofficial language policy and language planning in the country and discourse choices in Cameroonian English This book is an ideal resource for graduate students and researchers interested in the areas of sociolinguistics applied linguistics discourse analysis and World Englishes *Synchronic English Linguistics* Paul Georg Meyer,2005 **The Culture of Singapore English** Jock Wong,2014-06-12 A semantic pragmatic and cultural interpretation of Singapore English offering a fascinating glimpse of Singaporean life **Interactions Across Englishes** Christiane Meierkord,2012-04-26 The global spread of English has resulted in contact with an enormous variety of different languages worldwide leading to the creation of many new varieties of English This book takes an original look at what happens when speakers of these different varieties interact with one another **The English Language** Gerald P. Delahunty,James J. Garvey,2010-05-14 Grounded in linguistic research and argumentation THE ENGLISH LANGUAGE FROM SOUND TO SE01 General tradeE offers readers who have little or no analytic understanding of English a thorough treatment of the various components of the language Its goal is to help readers become independent language analysts capable of critically evaluating claims about the language and the people who use it **World Englishes** Kingsley Bolton,Braj B. Kachru,2006 A New Bibliography of Writings on Varieties of English, 1984-1992/93 Beat Glauser,Edgar W. Schneider,Manfred Görlach,1993-12-02 The continuing expansion of research in dialectology sociolinguistics and English as a world language has made the field increasingly difficult to survey This bibliography is intended to provide a comprehensive overview of the relevant publications of the past few years Like its predecessor it will prove an indispensable reference book The collection is in four parts dealing respectively with general studies Britain and Ireland the United States and Canada and the rest of the world There is a joint index in which the 2800 entries are classified according to specific areas ethnic groups and major linguistic categories thus making the bibliography easy to use with the greatest profit The present bibliography complements the one compiled by W Viereck E W Schneider and M G rlach which covered the period from 1965 to 1983 and was published in the same series in 1984 *World Englishes* Hans-Georg Wolf,Frank Polzenhagen,2009-02-26 The book is the first of its kind to establish Cognitive Linguistics as a research paradigm within the field of world Englishes The authors survey the

main tenets of both areas of linguistic enquiry and suggest that the theoretical and methodological apparatus developed both within Cognitive Linguistics generally and within its novel sub discipline Cognitive Sociolinguistics can overcome certain limitations inherent in traditional approaches to cultural variation in language They present a case study of the linguistic realization of the cultural model of community in African English as an exemplar for the investigation of cultural models in other varieties of English Corpus linguistic methods are combined with conceptual metaphor analysis and blending theory to elucidate a vast network of conceptualizations salient to speakers of African English The findings based on computer corpora and a range of additional sources are discussed against the background of work in anthropology religious studies and political science The book also reflects on the role of English in intercultural communication and concludes with a comparison of Cognitive Linguistics and pragmatic functionalism placing the former in the wider framework of a hermeneutic philosophy that stresses dialogic understanding
